

Monthly webinars are offered by the Society of Wetland Scientists (SWS) as a benefit of membership. Once each quarter, in March, July, September and December (marked with an asterisk below), the monthly SWS webinar is open for non-members to attend, at no cost. Spanish language webinars are always free for both members and non-members, as well.

**ARCHIVES:**

Did you miss a webinar? All webinars are recorded and archived. To view member-only webinars, visit the calendar view of the [SWS events page](#) and navigate back to the applicable event date. Quarterly public webinars and Spanish language webinars are archived on our [YouTube channel](#).

**Thank you to our 2021 Webinar Series sponsors**

**2021 Webinar Series sponsorships available**

We are excited to announce sponsorship opportunities for our webinar series, as a means of partnering with other organizations in the wetland field, like you! Webinars are offered complimentary to all SWS members, and are offered FREE to the public on a quarterly basis, providing maximum exposure for your organization.

**SWS WEBINAR SPONSORSHIP BENEFITS:**

**Pre-Webinar**

- Recognition with company logo and link to organization website on SWS promotional items, including member emails and advertisement on SWS Webinars webpage

**During Webinar**

- Verbal recognition of organization during introductory webinar slides, as well as presentation of organization logo
- Contact slide at end of the webinar presentation featuring organization contact information

**Post-Webinar**

- Additional exposure from on-demand webinars, which are viewed recordings (generally, 45 viewings per month)

*Annual Sponsorship rate of \$1,000 includes recognition during at least 10 SWS Webinars per year. Sponsorship is limited to only five (5) sponsors per subscription year. Contact Jordan Haag at [jhaag@sws.org](mailto:jhaag@sws.org).*
