Lew Horne to be Inducted into NAIOP SoCal Hall of Fame *Industry Awards Gala to be Held on May 11th, 2023*

Santa Ana, CA (February 22, 2023) -- NAIOP SoCal, the leading voice for commercial real estate in Southern California, will induct into its Hall of Fame Lewis “Lew” C. Horne, a well-respected leader in the commercial real estate industry and greater Los Angeles and Orange County business community, as part of NAIOP SoCal’s 2023 Industry Awards Gala.

As President of the Greater Los Angeles, Orange County, and Inland Empire regions for CBRE, the leading commercial real estate services company in the world, Horne leads the strategic direction and performance of the firm’s Advisory Services business, which includes Advisory & Transaction Services, Asset Services, Capital Markets, Local Project Management and Valuations. Having worked with the firm for over 35 years, he is passionate about collaboration and actively promotes the integration of multiple disciplines to ensure well-conceived, strategic solutions for complex client assignments. This led him to become an early adopter and champion for workplace transformation, including Workplace Strategy, Experience Consulting, Change Management, and Occupancy Management.

As an active leader in the Los Angeles community, Horne regularly lends his voice, experience, and time to help create meaningful solutions for business and social issues, including the complex challenges regarding the city’s homelessness crisis. He is both passionate and compassionate when it comes to reducing homelessness and is an advocate for the affordable housing community in Los Angeles. Horne is the Co-Chair for Central City Association (CCA) of Los Angeles supporting its Homelessness Initiative and is a past-chairman of the Los Angeles County Economic Development Corporation (LAEDC), Los Angeles Chamber of Commerce, and the LA Business Council.

“Lew’s impact on Southern California’s commercial real estate industry is immense. His passion for the entrepreneurial spirit of commercial real estate has made the industry better and inspired many to pursue a career in commercial real estate,” said Timothy Jemal, CEO, NAIOP SoCal. “Well before the COVID-19 pandemic, Lew was the first to transform how to create community in the office space. Throughout his career, he has epitomized the importance of building and sustaining trust in business while giving back to the community. We are so pleased to induct Lew Horne into our Hall of Fame.” In 2022, Jemal interviewed Horne during his podcast series. To listen to the interview, click here: [Lew Horne Podcast](#).
