The Meredith Area is truly the heart of the Lakes Region and also serves as the latchkey to New Hampshire's majestic White Mountains.

A tourist favorite for generations, this area's historic villages are nestled among New Hampshire's largest lakes – Winnepesaukee, Squam, Newfound, Waukewan, Winnisquam, Kanasatka, Wicwas, Pemigewasset, and Winona.

Our historic old-fashioned charm and friendly atmosphere blends with the natural beauty of lakes and mountains in the quaint towns of Meredith, Weirs Beach, Center Harbor, Moultonborough, Holderness, Ashland, Sandwich, Wolfeboro, Bristol, Gilford, and New Hampton. **Come discover the Meredith Area!**

Spring & Summer is when the Meredith area comes even more alive... From the sparkling lakes, rivers and streams, to the flowers and trees in all their abundant glory, this is the time when you just relax, breath in some fresh air and celebrate life! If you are an outdoor enthusiast, the options are endless and include water sports, boat rides, kayaking, tubing, fishing, swimming, recreational vehicles, horseback riding, picnics, nature trails and hiking, plus so much more. Maybe a boutique or spa is what you are looking for or picking up some fresh vegetables at a local farm stand. Check out our website for a listing of fireworks, barbeques, duck races, foot races and other fun events.

Autumn is spectacular (and fun)! The natural beauty of fall foliage is a 'must-see'. Witness the splendor from a boat, a panoramic overlook, a restored train car, or a drive on a country road. The crisp fall air and abundant garden harvests give us even more reasons to celebrate. Enjoy the creativity of family fun in a corn maze, farm-to-table feasts, holiday workshops, and a host of "Spooktacular" events.

The fun doesn't stop in the winter! Enjoy downhill skiing/snowboarding day and night, as well as cross country skiing. You'll find equipment rentals and information at many of our local recreational outfitters. Snowmobiling, ice skating, snowshoeing, ice fishing, ice sailing, sledding and tubing are other popular outdoor activities in our winter wonderland.

Even if you are not a winter sport enthusiast, you'll love the beautiful scenes of fresh snowfall in our quaint New England countryside. The Christmas season is filled with special holiday celebrations and annual winter spectator events fill out the calendar, with The Great Rotary Fishing Derby, World Champion Sled Dog Derby, and the New England Pond Hockey Classic. Plan a winter stay with us!

BRISTOL: The gateway to the beautiful Newfound Lake Region, with a variety of shops, including many antiques.

CENTER HARBOR: Situated with shoreline on Lake Winnepesaukee, Squam Lake and Lake Waukegan. It was a favorite place for poet John Greenleaf Whittier and is now the winter home of the M/S Mount Washington. In the summer, visitors and residents enjoy weekly concerts at the bandstand which overlooks the lake.

GILFORD: Located on the southern shore of Lake Winnepesaukee, Gilford is a recreation and entertainment center and the home of Gunstock Mountain Resort which offers a myriad of both summer and winter activities.

HOLDERNESS: Located on pristine Squam Lake. Home of the Squam Lakes Natural Science Center with many hiking trails and boat tours.

MOULTONBOROUGH: This town boasts 68 miles of Lake Winnepesaukee shoreline and the home of famous steamers of yesteryear. The historic Castle in the Clouds is nestled here in the Ossipee Mountain Range.

SANDWICH: A picturesque town, with crafts, galleries and trailheads for many Squam range hikes. White clapboard colonial homes and spring flowering lilacs create a quintessential New England ambiance.

WEIRS BEACH: The home of the M/S Mount Washington and Endicott Rock, where the original surveyors of the Massachusetts Bay Colony signed their initials. Not to mention Motorcycle Week: The world's oldest motorcycle rally.

WOLFEBORO: The oldest summer resort in America, a town of beauty and history on the eastern shore of Lake Winnepesaukee. Wolfeboro is home to the New Hampshire Boat Museum & Vintage Boat Rides, and the turn-of-the-century Molly The Trolley.

In the 1800s Meredith was a prosperous mill town. The natural strong water flow from Lake Waukewan to Lake Winnepesaukee had been harnessed into an underground canal as a power source for the mills. Visionaries set out to preserve the charm and showcase the industrial history of Meredith, rehabilitating the deteriorating mill and uncovering the waterfall as a centerpiece to what is now Mill Falls Marketplace. The waterfall has become a landmark, where visitors watch the cascading waters flow down toward Lake Winnepesaukee.
