Doncaster Business Awards 2020/21

Judging and Award Category Criteria

- The Doncaster Business Awards open for entry on **Monday 5 October 2020**. The deadline for submissions is **midnight, Sunday 15 November 2020**.
- Each category will include an unscored question which will ask the entrant to describe their business in fewer than 400 words. This allows judges to get a good understanding of the company, its customers, competitors, challenges and opportunities.
- Each entrant may be asked to provide financial data.
- Written entries should not exceed 400 words or 3 minutes (MP3) for each question. Entrants exceeding these limits will be disqualified.
- Entrants may provide a maximum of 3 pieces of evidence to support their submission. Evidence must consist of images only i.e. charts/pictures.
- Any member of the Doncaster Chamber elected Board of Directors, in post as of 5 October 2020 are precluded from entering the awards. Co-Opted Directors, in post as of 5 October 2020 are eligible to enter.
- Sponsors are not permitted to enter the same category that they are sponsoring.

Judging

Stage 1

- Every entry will be evaluated and scored by the Business Awards Panel based on a set criteria for the award category.
- Every criteria answer will be scored on a scale of one to ten (one being poor, ten being excellent).
- The Business Awards Panel will shortlist up to six finalists per award category.
- The Business Awards Panel will consist of representatives from Doncaster Chamber and other respected organisations.
- Stage 1 judging scores will count for 30% of the overall score.

Stage 2

- Each category will have two judges for Stage 2: one sponsor judge and one Doncaster Chamber representative.
- Judges will be asked to spend approximately one hour and fifteen minutes with each finalist.
- Judges are free to set their own questions/conduct interviews and discussion as they wish but they must drill down into the relevant criteria.
- Awards entrants will be asked to present for 10-15 minutes at the start of the interview to help judges to understand the business. The presentation will not be scored and should not exceed 15 minutes. This need not be a formal presentation (PowerPoint, Prezi or otherwise) - the purpose is simply to describe the business so that it can be assessed fairly.
- Every criteria will be scored on a scale of one to ten (one being poor, ten being excellent).
- Stage 2 judges will not see scores from Stage 1 judging at any point.
- Stage 2 judging scores will count for 70% of the overall score.

Stage 3

- Following Stage 2 judging, the Doncaster Chamber event organiser will add up all scores, apply the necessary scoring adjustments (for eligible categories), and verify results.
- The entrants with the highest overall scores will be confirmed as the winner and runner up for each category.
- The 30/70 weighting ensures that the visiting judges have most influence over the final decision whilst, at the same time, ensuring that in total 7 people have been involved in the process.
