

LEADERSHIP CAPE PROJECTS

YEAR	TITLE	CONTACT	DESCRIPTION	STATUS OF PROJECT
1999	Downtown Revitalization	Mr. Steve Taylor 573-334-9000	Focus on the Main Street approach to revitalization of downtowns. It recognized efforts from the downtown merchants and others to form a Main Street program in Cape Girardeau. In May of 1999, just prior to this presentation, a group was put together to begin Old Town Cape. This project focused on ways to make Old Town Cape successful.	Today, Old Town Cape is a healthy, thriving organization having an impact in downtown Cape Girardeau. Old Town Cape was awarded the Great American Main Street Award in 2015 by Missouri Main Street Connection.
1999	City Signage	Mr. Bruce Loy 573-334-6230	Evaluate the current informational and directional signage in and around the city of Cape Girardeau, to propose a plan based on research findings, and to demonstrate the benefits of improving the informational and directional signage for our city.	Through the efforts of this group, as well as the efforts of the Convention & Visitors Bureau, MoDOT, and the city of Cape Girardeau, there are many directional signs now in the city of Cape Girardeau helping people better navigate their way of around.
1999	Teen Opportunities in Cape Girardeau	Ms. Cheryl Mothes 573-243-7798	Assess the opportunities available and not available to the youth in Cape Girardeau. It shall also establish a method in which to obtain the individual information needed to gain the insight of youth within the community outlining their likes, dislikes and what they feel would be useful programs. The final objective would be to develop the avenues in which to implement the conclusions of the findings.	The recommendations of this group were to create a Teen Advisory Board, collect and analysis youth related data, and publicize efforts of the Advisory Board and successes of local youth. Not much has been done with the recommendations of this particular group.
1999	Developing a Volunteer Program for the Humane Society of Southeast Missouri	Mr. Chris Hutson 573-334-6251	Identify components of successful volunteer programs, identify the specific needs of the Humane Society, establish strategies and timelines for implementing a volunteer program for the Humane Society.	Parts of this program were implemented shortly after the presentation, uncertain if there has been an ongoing effort based on the recommendations of this group.
1999	First Night Cape Girardeau, A Family Celebration to Ring in the New Year - A New Years Celebration	Ms. Loretta Schneider 573-335-3546	New Year's Eve celebration for the family, centered on arts and entertainment, being alcohol free, and having venues to include indoor/outdoor sitting/standing and certain activities.	This project was never developed and never implemented.

YEAR	TITLE	CONTACT	DESCRIPTION	STATUS OF PROJECT
2000	Cape Girardeau Area Volunteer Center	Mr. Clint Karnes 573-335-7366	To develop Cape Girardeau's first centralized volunteer center providing an opportunity for the community to serve each other while enhancing the quality of life for the community, to connect people interested in volunteering with available volunteer opportunities through a centralized service, and to allow the opportunity for more community wide efforts to expand existing agencies of programs by providing additional motivated manpower.	It is unknown whether it was a direct or indirect result of this effort, but there now exist in the city of Cape Girardeau the Volunteer Intergenerational Center, better known as VIC. This is exactly as described - a centralized volunteer center for the Cape Girardeau area.
2000	Family Aqua Plex	Ms. Laura Hinkebein 573-334-7741	Recommend for the city of Cape Girardeau an aqua plex center, to include water slides, beach entry and playground area, a lazy river, adjacent picnic and playground, and a leisure lap pool.	Completed and known as Cape Splash.
2000	Youth Action 2000	Mr. Lowell Peterson 573-204-1726	Radically increase the options, quality, and access to youth development programming and recreational activities in the Cape Girardeau area. The project planned to do this by developing a city wide calendar with centrally located bulletin board posting centers, developing a central committee whereby area organizers can share ideas and information more openly and effectively, and developing a committee of individuals to address transportation needs necessary to facilitate full and complete access to the identified activities for youth.	Parts of this have been addressed to include public transportation and citywide calendar. It should be noted that these are not specifically related to youth, but have been addressed from a more overall community stand point.
2000	Youth Mentoring	Rev. Paul Short 573-334-3200	Establish a program that emphasizes a cooperative effort with area school systems and other youth service organizations to provide area youth with contact and resources across a wide range of mentoring opportunities, connect mentors from area businesses, service clubs, and community organizations with the identified youth.	The elements of this project are mostly contained in the Big Brothers Big Sisters and Boys & Girls Clubs, which are now in existence in the city of Cape Girardeau.
2000	Community Calendar	Mr. Kevin Essner 573-335-3333	Develop an online community calendar, which will be used as an event planning tool to inform our community of upcoming events.	This was implemented by the Southeast Missourian and the current status is unknown as to whether this is still in existence or not.
2001	Skateboard Park for Cape Girardeau	Mr. Matt Hopkins 573-339-1393	Determine a suitable location, budget and requirements for building a skateboard park in the city of Cape Girardeau that would be part of Parks and Recreation.	There exists in the city of Cape Girardeau a skateboard park, located at Missouri Park. Private investors are looking at a location near Arena Park.

YEAR	TITLE	CONTACT	DESCRIPTION	STATUS OF PROJECT
2001	Take Me To The River	Ms. Cheryl Klueppel 573-335-9471	Increase signage directing people to the tourist's attractions in downtown Cape Girardeau.	Much better signage exists as a result of cooperation with the Convention & Visitors Bureau, city of Cape Girardeau, MoDOT, and Old Town Cape.
2001	Speakers Bureau		Develop a local Speakers Bureau to be access by anyone looking for specific speakers on specific topics.	Implemented by the Southeast Missourian.
2001	Riverfront Park			
2001	Missouri Mentoring			
2002	Lewis & Clark Celebration	Ms. Betty Martin 573-334-5279	Plan multiple events and celebrations and make an attempt to get the city of Cape Girardeau as a recognized site on the anniversary of the Lewis & Clark Discovery Exploration.	A bulk of what this group desired was accomplished during the country celebration of the Lewis & Clark Discovery Exploration tour.
2002	Sports Commission	Ms. Becka Hollis 573-986-5513	Urge city and area leaders to develop a more targeted approach towards recruiting youth and adult sporting events for Cape Girardeau. Possibly even with separate funding mechanisms and that type of thing.	The Convention & Visitors Bureau, in partnership with Parks & Recreation, has developed a publication outlining all of the sports facilities and available resources to target specific sport events. In addition, the Convention & Visitors Bureau is now attending regional sports shows in an attempt to recruit additional sporting events.
2002	Career & Technology Center Awareness Campaign	Ms. Maria Childress 573-335-5555	Make area residents and businesses more aware of all of the available training and educational opportunities at the new Career & Technology Center.	This has been accomplished tremendously and the Career & Technology Center continues to be a very excellent resource for the area.
2002	Education Resource Website	Mr. Adam Kidd 573-335-8160		One was developed for businesses at www.capeareatraining.com

YEAR	TITLE	CONTACT	DESCRIPTION	STATUS OF PROJECT
2003	Diversity Scout Reach	Ms. Lydia Dewees 573-651-2886	To assist the area Boy Scout district by conducting a research-oriented awareness campaign and making recommendations on how to increase participation in Scouting programs among minority, low-income, and hard-to-reach family groups.	Yet to be implemented
2003	Riverfront Amphitheatre	Mr. Tim Arbeiter 573-335-3312	Develop a floating amphitheatre on the banks of the mighty Mississippi River. The floating amphitheatre can be designed to host concerts and events. The amphitheatre would have the flexibility to be moored upstream and stored in the off season. The vessel could also be rented to neighboring river towns.	Still in discussion phase.
2003	Renaissance Courthouse Square	Ms. Nancy Grand 573-335-6611	As part of a broadly-based, ongoing effort to preserve and revitalize the architecturally/culturally rich downtown area, our group is proposing that the Cape Girardeau Common Pleas Courthouse be transformed into an elegant shopping / restaurant / meeting complex. When complete, this multi-phase project will truly be a renaissance or rebirth.	Still in discussion phase.
2003	Downtown Transportation	Mr. Jeff Brune 573-335-0187	The project is under the umbrella of TIRE (Transportation Initiative for Riverfront Enhancement). This is a 3 phase approach with short-term goals to increase bicycle traffic through (1) extension of the pedestrian and bicycle trails and (2) creating a new borrow-a-bike program, and (3) a long-term effort to implement a Trolley System in Old Town Cape.	Still in discussion phase.
2004	Summer Screen - An Outdoor Family Cinema	Mr. Bill Cole 573-335-8111	Propose an outdoor cinema, located in historic downtown Cape Girardeau, and would be a summer long event taking place at the riverfront. The purposes would be to add to the revitalization of Old Town Cape, provide inexpensive family oriented entertainment, bring community together in a safe and nostalgic atmosphere, provide additional attractions to historic downtown Cape Girardeau, promote downtown merchants and sponsoring businesses, and to provide fundraising opportunities for community organizations.	Cup 'n' Cork in downtown Cape Girardeau offers an outdoor movie on Saturdays during the summer months.

YEAR	TITLE	CONTACT	DESCRIPTION	STATUS OF PROJECT
2004	Junior Main Street Program	Mr. Jeff Martin 573-243-2555	Develop a Junior Main Street Program that would take Old Town Cape's work a step further in encouraging youth to shop downtown and remain interested in downtown, to find interested parties like Scouts, church groups and other youth organizations to take a role in revitalizing downtown, and to empower youth in the community to develop activities that appeal to their peers.	Old Town Cape Board now includes a youth Board member and parts of this project are being implemented.
2004	Riverfront Jazz Festival - Welcoming the Grampa Woo	Mr. Josh Haynes 573-335-0101	Fantastic gathering of regional and local jazz bands to entertain citizens of Cape Girardeau and visitors from surrounding areas, as well as attracting riverboats from around the country. It was the hope of this group that this could be an event similar to Memphis in May or other festivals. Should include concerts, riverboat tours, local artists, and downtown entertainment venues.	Nothing has been done to further develop this particular project.
2004	Minor League Baseball - The Cape Crusaders	Ms. Dawn Dauer 573-335-3100	This group would like to start a Minor League baseball franchise in Cape Girardeau.	Discussions continue between many local people interested in continuing this idea and more information may follow.
2005	Cape Girardeau Barkin Park	Ms. Angie Umfleet 573-651-0509	Provide a park setting for dog owners to socialize and exercise their dogs off leash in a safe environment.	Dogtown opened in 2013 in Kiwanis Park and is operated by the City of Cape.
2005	Cape LaCroix Recreational Trail Development	Ms. NaTika Rowles 573-335-7141	Designed to enhance and further develop the Cape LaCroix Recreational Trail, to include maximization of the connection of the Osage Community Center and Shawnee Park, providing an avenue for the youth to enjoy nature, and increase recreational opportunities for nearby facilities. The idea would be to add benches, barbecue grills, lighting fixtures, water fountains, integrated fitness stations, trail expansions, bike share programs, playground equipment, and park pavilions.	Trail extensions have been completed and some other components such as fitness stations, have been implemented.
2005	Living It Up Downtown	Ms. Heather Brooks 573-334-1212	Create a marketing avenue to promote residential and investment opportunities in the downtown area, thus enhancing the revitalization efforts already in place by the conversion of commercial buildings into privately owned living spaces or condos.	Work continues and new apartments and condos continue to be finished in downtown. This is a project with ongoing successes.

YEAR	TITLE	CONTACT	DESCRIPTION	STATUS OF PROJECT
2005	Discover Cape	Dr. Jim Dufek 573-651-2484	Create and implement a magazine style television show to feature local stories of interest, enhance the awareness for city, chamber, and university events and items of interest by providing a unique and catchy television format in a decent time slot. In addition, hopefully this will allow for future tie ins with other media outlets, such as print radio, Internet, etc.	Several Discover Cape shows have been developed and plans continue for future developments.
2006	Galaxy Park	Mr. Trae Bertrand 573-334-0555	To make better use of a piece of vacant land (the former landfill) on Highway 177 in Cape Girardeau. The plan is to construct Galaxy Park, a place for people of all ages to come and view the night sky. Complete with a pavilion containing pictures of information, the park will also have telescopes and several lookout spots for viewing.	Nothing has been done to further develop this particular project.
2006	Cape Girardeau Hands On Science Center	Ms. Kim Kelley 573-334-0553	To bring a science center to the Cape Girardeau community, access the impact a science center will have on education in the area, and determine the economic impact a science center can have on Cape Girardeau. In addition, this group explored the financial aspects of bringing a science center to Cape Girardeau, complete with funding projections.	This project would be extremely expensive and not much additional action has taken place, although the prep work for this project was very good.
2006	Discovery Playhouse - A Children's Museum	Ms. Brittney Lee 573-334-9000	Aide in the development and creation of a Discovery Playhouse - A Children's Museum for the Cape Girardeau area and to develop a plan for a permanent location.	Completed and open for business.
2006	Instilling Positive Values in Cape Girardeau Youth Through The Game Of Golf	Mr. Craig Bohnsack 573-986-5066	This project had the goals of identifying values necessary for the development of healthy youth, to identify youth golf programs that facilitate the development of essential values, to explore the community interest regarding the implementation of a youth golf program, and to develop a plan that defines how youth golf facilitates the development of essential values. The group also suggested we possibly utilize the First Tee Program.	12/17/09 - Currently have 120 participants enrolled in the First Tee Program sponsored by the Cape Girardeau Jaycees. Two eight week sessions per summer with a two week break between the sessions. The four levels consist of Player, Par, Birdie and Eagle.
2007	Complete Streets	Ms. Ellen Carlson 573-339-0184	Retrofit and ultimately design streets with all users in mind. The streets would be appropriate for motorists, bicyclists and pedestrians.	Several bike lanes have been added to city streets.
