Chamber Champions

The purpose of the Chamber Champions Sponsorship Program is to showcase businesses throughout the year as major chamber supporters. Based on the level of sponsorship selected, the business is given recognition for sponsoring specific events and the opportunity to plan member support for the entire year.

The year 2021 promises to be a year of progress, change, and opportunity for you—our members, as we aggressively prepare to promote business. The Chamber Champions Sponsorship Program has been designed to help provide your Chamber of Commerce with the funding necessary to support the numerous programs and events that make a difference in the life of our business community.

Goals and Objectives

1. Promote chamber members, expand involvement and exposure and provide greater value for investment.
2. Provide members with information and opportunities in advance with a defined set of sponsorship options.
3. Provide foundation funding for the Chamber's programs without multiple requests to members for support.
4. Provide annual program revenue in advance for budgeting purposes.

SPONSORSHIP LEVELS

Platinum	\$8,000 (Total advertising value \$10,500)
Gold	\$5,000 (Total advertising value \$7,500)
Silver	\$2,500 (Total advertising value \$4,500)
Bronze	\$1,000 (Total advertising value \$2,500)

Exposure

Your company will receive excellent exposure at many of our community's premier events, not to mention to our 300+ businesses and associates that are members of the Chamber. A recognition board listing the names of all Chamber Champions by sponsorship level will be prominently displayed in the lobby of the Chamber and at signature events. Additionally, your business will be prominently displayed on the home page of our Chamber website and in our email signatures.

**Customized packages are available to fit your business.
Contact the Chamber at 910-642-3171.**

The Chamber Champion Sponsorship Program is an annual investment, tax deductible as a business expense.
