Pt. Name _____ SOC date _____DC date_____ MR#_____

Age _____   Sex _____   Case Manager _____

Review Date _____   Reviewer_____

QUESTIONS	YES	NO	IE	COMMENTS
Which 2 behavioral problems did the patient demonstrate?				
If there were not 2 behavioral problems, was there an error in OASIS documentation?				
Was there paid or resident assistance in the home?				
If yes, was there an error in OASIS documentation?				
If the documentation does not support the definition of the adverse outcome, stop the audit at this point and investigate how the OASIS errors occurred and re-train staff as needed.				
Did these behavioral problems interfere with the patient's ability to care for self?				
Was a psych. nurse and/or MSW involved with the case?				
Did the patient ever threaten suicide?				
Could you assess from the documentation if the patient was a danger to himself or others?				
If so, explain:				
Did the patient have a history of mental illness?				
Was the patient compliant with treatment regimen?				
If non-compliant, was the physician notified, appropriately?				
IE = Insufficient evidence documented to make decision/not documented
