

ADVERSE EVENT OUTCOME REPORT

Report Period _____

**EMERGENT CARE –
IMPROPER MEDICATION ADMINISTRATION, MEDICATION SIDE EFFECTS**

Definition: The patient received emergent care after SOC/ROC, and the emergent care reason was "improper medication administration, medication side effects, toxicity, anaphylaxis." OASIS M0 triggers: M0830, M0840 (Transfer/Discharge)

Pt. Name _____ SOC date _____ D/C date _____ MR# _____

Age _____ Sex _____ Case Manager _____

Review Date _____ Reviewer _____

QUESTIONS	YES	NO	IE	COMMENTS
Was the patient treated emergently for improper medication administration, medication side effects, toxicity, anaphylaxis?				
If no, was there an error in the OASIS documentation?				
If yes, which one?				
<i>If the documentation does not support the definition of the adverse outcome, stop the audit at this point and investigate how the OASIS errors occurred and re-train staff as needed.</i>				
If Improper medication administration explain:				
Was pt independent in med administration?				
Was the patient taught safe med set-up, if needed?				
Who administered the med improperly?				
If for med side effect or toxicity, explain:				
Was the pt/cg taught the side effects of the medication?				
Did the patient demonstrate understanding of teaching?				
Did the pt/cg report this side effect to the clinician?				
Was physician notified appropriately?				
<i>IE = Insufficient evidence documented to make decision/not documented</i>				

ADVERSE EVENT OUTCOME REPORT-Improper Medication Administration, Medication Side Effects

QUESTION	YES	NO	IE	COMMENTS
If for anaphylaxis, explain:				
Was the patient allergic to the medication?				
Was this a first time dose?				
Was there an anaphylaxis kit in the home?				
Was the physician notified immediately?				
Was 911 called?				
Caregiver - Support Systems				
Did the patient require the assistance of a caregiver?				
Was the caregiver, if required, constantly available?				
Was the caregiver present?				
If present, who was it? (e.g. family, friend, aide, etc.)
