

**FOCUS AUDIT
PATIENT READMITTED TO THE AGENCY**

Patient #/Name: _____ Case Manager: _____

Episode 1: SOC, DC Date and Diagnoses: _____

Episode 2: SOC, DC Date and Diagnoses: _____

	YES	NO	N/A	COMMENTS
Are there diagnoses common to both episodes?				
EPISODE #1				DISCHARGE REASON:
Was the patient stable on discharge?				
Were there specific goals for all identified problems?				
Were all goals met?				
If goals were not met, were plans in place on D/C for follow-up?				
In your opinion was this an appropriate discharge?				
EPISODE #2				DISCHARGE REASON:
Was the patient stable on discharge?				
Were there specific goals for all identified problems?				
Were all goals met?				
If goals were not met, were plans in place on D/C for follow-up?				
In your opinion was this an appropriate discharge?				

What could have been/should have been done during episode 1 to prevent the readmission to the agency:
