**Holston Realty**  
**MLS Representative**

"Originally from Richlands, VA, I went on to graduate from Virginia Tech with a Bachelor's Degree in Animal Science. After graduating I was drawn back to the beautiful landscape and wonderful people of the area. I have been an active REALTOR for almost 3 years and serving on multiple BTVAR committees for two years. I would love the opportunity to represent BTVAR as an MLS Representative! In my spare time, you can find me traveling the world, hiking, or chilling with my pups. "
