LIVE

Life is full of potential and Parker is simply the best place in Colorado to see it come true. Whether you're envisioning your career, picturing your family, imagining a first home, or planning your retirement – Parker offers the very best of everything.

Parker is the perfect place to see your life in focus, because it offers an amazing quality of life, access to big city amenities, and a safe community where neighbors care. It's truly a small town with big opportunities.

In about 30 minutes, you could see your weekend unfold watching an NBA game or catching a stadium concert. Or

maybe your proximity to the nation's third busiest airport makes an international journey a possibility!

Maybe you'll play it closer to home and take a hike along a beautiful, quiet trail with a friend.

Have coffee at a local shop and pick up unique items from local retailers. Take in a comedian at the local arts center. Head to the mountains for a day of skiing with the kids, gather the items you need to make that special home project a reality, or get together with friends for a glass of wine.

Whatever your dream, you can see it happen in Parker. Welcome. We know you'll love it here.

CARING FOR MENTAL HEALTH

When you're sick you go to the doctor, when you break a leg you go to the hospital, and when you have a headache you take ibuprofen, but what do you do when you're sad, anxious, or feel like you are losing control. Who can you talk to? Who wants to hear about your "problems"? We are all busy, we all face stress and we all experience anxiety yet we rarely talk about it. Why? Why does mental health get pushed under the rug? Why are mental disorders frowned upon? And why as a society do we feel the need to hide our imperfections?

According to the Colorado Department of Human Services Office of Behavioral Health 3 in 10 Coloradans are in need of mental health or substance use disorder care. That's 1.5 million Coloradans! Mental health effects everyone – young/old, healthy/sick, rich/poor – and doesn't skip over you because you have a great job, or a great house, or a great social life. We need to stop being afraid to ask for help and we need to fully support and stand by those that need help.

Help comes in many different ways and can change over time. It may be scary to ask for help, but once you do, you will be grateful to go down that path. Working in the mental health field, I love when people openly discuss the help they are getting and what is working and what is not. This shows me that perhaps the barriers around mental health discussions are decreasing and there is hope that someday mental health and substance use help will be as commonly accepted as a doctor's visit or a cast on our leg. Help is there, hope is there. Please ask.

"Parker and the PACE Center are a perfect fit for our competitions," says Mark Hinson, Co-Executive Director of Miss Colorado Scholarship Organization, Inc. Both the chamber and the town have made our leadership team feel wonderfully welcome and supported."

The Parker Chamber of Commerce will be the Local Host Sponsor for the organization and for the Miss Colorado and Miss Colorado's Outstanding Teen Competitions.

"This will be a terrific economic development driver for the Town of Parker," says T.J. Sullivan, President and CEO of the Parker Chamber of Commerce. "Families from all over the state will travel to Parker for meetings and competitions, supporting our restaurants, hotels, catering companies, award shops and countless other service providers." Sullivan added, "And it will be a terrific way to bring some attention to the Parker community for others considering statewide events."

The Miss Colorado Scholarship Organization, Inc. is part of the Miss America Organization, which is the largest provider for scholarships for women in the nation. Miss Colorado celebrates its 77th anniversary in 2023.

The ages for Miss Colorado candidates are 18-26 years old and for Miss Colorado's Outstanding Teen is 13-18 years old. Candidates compete in private interview, talent, evening gown and an on-stage question format. Each candidate also has a Social Impact Initiative which she focuses on throughout the year.

"We can't wait to welcome the competition's participants, families and other visitors to our community over the next five years," says Parker's Mayor, Jeff Toborg.

WORK IN THE BUSINESS OF FUN

Parker's Boondocks Food and Fun amusement center, loaded with exciting state-of-the-art indoor and outdoor attractions, hosts a wide selection of entertainment options for kids and adults alike. Boondock's was voted Top Party Venue for Big Kids in the 2022 Douglas County Macaroni Kid Spotlight Awards. The venue is one of only two locations in Colorado.

Christina Kissel, Director of Sales and Marketing says "We want to be the place our community members want to visit, whether it's for birthday party celebrations, field trips or corporate events - we love being the venue Parker residents think of for fun!"

Boondocks offers go-karts, bumper boats, a 125-game arcade and prize center that includes the latest and greatest games from giant cranes to VR Rabbids and pop-culture favorites like Avengers and Wizard of Oz pusher games,

a two-story LED laser tag arena, 32 bowling lanes, two 18-hole pirate-themed miniature golf courses, a full-service restaurant and bar and a 300-seat event and meeting space.

Their new 38-foot Ropes Course debuted this year, complete with 28 different obstacles and a 67-foot curved zipline.

Boondocks is all about fun, but its corporate philosophy equally pivots around giving back to the Parker community. "We donate a number of miniature golf and laser tag passes for fundraising requests – almost no fundraising request is turned down. We have also partnered with Raise the Future, an adoption organization, each April for their Day for Wednesday's Child telethon. We host a life-changing event for families benefited by the organization," says Christina.

If you think playing at Boondocks is fun, you're right, but working there can be just as rewarding!

A fun work environment, flexible scheduling and a 50% employee discount and internal spending account are some of the perks.

"Boondocks is proud to offer such a unique experience and hometown feel without even having to leave Parker," says Francisco Navarro, Events Sales Manager.

SPA BROKERS HAS DEEP PARKER ROOTS

When Don Chandler, the owner of Spa Brokers, opened his Parker store in 2006, he and his wife knew it was the perfect hometown to raise their now 19-year-old triplets, so they moved to south Parker in 2008. "We love Parker's small town feel and it's offered our company lots of opportunity within our industry," says Don.

Parker's Spa Brokers store is one of six locations throughout the Denver metro area. Spa Brokers has been in business for 37 years, and has been the #1 dealer in the U.S. for more than 30 of them. They sell hot tubs, swim spas, fireplaces, saunas, barbecues and gas fire pits.

"We sell current, state-of-the-art lifestyle products that are great for your health and for your soul," says Don. Spa Brokers offers modern showrooms and fully operational products on display so you can see them in action before you buy.

Spa Brokers stores stock a full line of

maintenance and support products and accessories with a service center in Aurora providing a fully stocked parts department and an experienced staff of service technicians and support associates.

"Our success comes from treating people the way we expect to be treated: we show up on time, provide the best quality products and have a support staff on hand 24/7 to answer our customer's questions," he says.

Spa Brokers is definitely a family-run business. "My daughter-in-law is the Parker store manager, my niece is one of the sales team members there and one of my friends who's worked for me for over 20 years also works there. My brothers and long-time colleagues manage our other locations and departments. We deeply value our Parker customers and we offer a well-seasoned group with lots of combined knowledge to answer their questions and to serve them well," says Don.

The Town of Parker **LOVES** its local business community!

From unique retailers and restaurants to dependable hometown service options, Parker has it all. Thank you to our local businesses for all you do to make Parker a great place to live, work and play!
