

# Smart Manufacturing Model Sponsorship

MESA's new Smart Manufacturing model will add even more power to the fourth industrial revolution and ensure that its impact is global, substantial, and long-lasting. Sponsor companies enable the promotion of the model content that is being created by MESA. Sign up as a sponsor of the model and cement your organization's legacy in the history of smart manufacturing.

## *Benefits of Sponsoring\*:*

- Logo and link from the MESA landing page about the model
- Logo and link in email marketing about the model
- Logo on introductory page of paper about the model
- A page of content at the end of the model paper that contains your analysis or questions and answers or other content that explains your capabilities and how they are related to the model.
- Lead report with contact information of those that download the paper

## **Pricing:**

Non-member Company: \$15,000

Member Company: \$10,000

Keystone Sponsors Add-on Price: \$5,000

***\*Non-exclusive sponsorship***
