

Request for Issue Advocacy Form

Public Affairs Committee

The primary purpose of the Public Affairs Committee at the Chamber is to promote a positive, pro-active business environment in the Defiance Area by:

- Developing and supporting legislation and other governmental actions which promote a strong business climate and job growth opportunities.
- Opposing legislation and other governmental action which inhibits a strong business climate and diminishes job growth opportunities.

One way the Committee identifies issues is through input provided by Chamber members. If you have identified an issue, proposed ordinance, bill, rule, resolution, etc. which impacts the business community, please complete and return this form via mail or email to the Chamber.

1. Provide a brief explanation of the issue. Include which political body has responsibility of the issue(s) and when they are expected to take action.

2. What is the purpose of the issue?

3. How does this issue affect the business community?

4. What action or position are you requesting the Chamber to take on this issue?

5. Please provide your contact information so that the Committee may follow up with you for clarification, questions, or further information. You will also be notified as to the position or action, if any, taken.
