## *Professional Women's Symposium*

**Date:** September 1-2, 2021

WTX Women was developed to provide motivation, professional development, and networking opportunities for women in the Permian Basin and surrounding areas. The goal of this event is to equip and inspire women to reach their professional goals. Our hope is that attendees will receive access to information to help them achieve their goals, grow as leaders, and inspire others.

The event will feature content and breakout sessions led by local professional women, as well as a keynote speech given by Brandy Bell of So. BELL & Co. Learn more at [www.WTXWomen.com](http://www.WTXWomen.com).
