CARE FOR COLORADO PRINCIPLES

- KNOW BEFORE YOU GO: Do your research to know where you can go, what you can do, and what you can't do.
- STAY ON TRAILS: Stay on designated trails to avoid disturbing the land and to protect the natural resources.
- LEAVE IT AS YOU FIND IT: Take only what you need and leave only what you brought. Do not leave anything behind.
- BE CAREFUL WITH FIRE: Use fire responsibly and follow local fire restrictions. Do not leave fires unattended.
- KEEP WILDLIFE WILD: Do not feed wildlife. Observe wildlife from a distance and do not touch or handle them.
- BE A RESPONSIBLE DRIVER: Do not drink and drive. Use designated drivers or ride-sharing services.
- BE A RESPONSIBLE PIVOT: Do not use ATVs or off-road vehicles on public lands. Use designated trails and respect private property.

**34. SOUTH CANYON TRAILS** Natural Surface

Easy/Moderate  
3.2 miles/5.1 km  
lat: 39.566874, long: -107.407595  
The trail follows historic roads (converted to wide trail) along the lower and some upper portions, usually at easier grades. Occasional steeper grunts will challenge beginner riders. Above the entry/exist road to the landfill, Turnway becomes more climbing focused, with less two-way traffic to look out for. Lightning Bug Trail is deemed only traffic. With that in mind, downhill riders still need to yield to climbing traffic.

### BIKE AROUND TOWN

Parking is available at Two Rivers Park. A pedestrian/bike bridge located in Two Rivers Park crosses the Colorado River to 7th Street for access to downtown. To get through town it is recommended to use Pitkin Avenue or Blake rather than Grand Avenue. For your safety, cross the Colorado River using the pedestrian/bike bridge.
