UPDATED!

If you applied for a Back to Business grant, know that the Mississippi Development Authority will modify the program based on changes in the state law. Applicants DO NOT have to re-apply or make changes to their existing application. The three primary changes are:

- The base payment will increase from \$1,500 to \$3,500.
- If you received \$2,000 from the Department of Revenue, it will NOT be deducted from your Back to Business grant.
- The deadline to file an application is September 15, 2020. If you have already received a payment from the program, you will get a supplemental check in the coming weeks. All future grant payments will reflect the new calculations.

Since the program began in June, more than 30,000 small business owners have registered, and over 3,000 checks have been mailed!

Apply today at www.backtobusinessms.org!
