

With the onset of the COVID-19 pandemic, we switched to a digital-only publication in spring of 2020. We do not yet know when we will return to print.

Put the *ChamberWorks* Monthly Newsletter to Work for You!

ChamberWorks is the monthly newsletter sent out to the entire Astoria-Warrenton Area Chamber of Commerce membership and additional contacts around the community and state that are interested in knowing what is going on in this area. The newsletter is available in both print and digital formats. Use this tool to market your business or organization to your fellow members. These services are available as a benefit to Chamber members only. Please make certain the member who is providing the article, ad or flier is easily identified in the provided material.

Articles – FREE

Provide an article about anything going on with your business or organization, or even any tale you'd like to share with your member peers. We ask that you keep your submissions around 200-250 words.

Photos – FREE

Send in a photo to accompany your article or even a standalone photo with caption for those images that say a thousand words. We include photos if space allows. Photos will be printed in monochrome.

Member of the Month – FREE

Reserve this space in an upcoming issue and fill the prime back cover with anything you want to talk about regarding your business or organization. Send with your photo or logo, too. Section can fit about 400 words with average sized photo. Our newsletter editor will format your provided materials and give you a chance to proof. Chamber members can be Member of the Month once every two years. Reserve your space in advance.

Advertisement – \$

Place your business card size ad in an issue for \$20 each month, with a 6-month minimum commitment. Email camera ready art or drop off your business card to scan.

Flier – \$

Prepare your own flier to be inserted into the newsletter. Fliers need to be on 8.5" x 11" paper. Colored or glossy papers are welcome, but please do not use thick paper or cardstock, as that increases the postage costs. Members are responsible for supplying 650 copies of the flier to the Chamber. Email a proof copy of your flier (in PDF format, if possible) to the newsletter editor ahead of time to reserve your space as there are only 10 spots available each month. Insert fee is \$50, which can be paid upon delivery of the fliers to the Chamber or invoiced later.

DEADLINES:

- All articles (including Member of the Month), photos and ads must be received by the 20th of the month prior to publication. *(extended from the 15th due to digital publication)*
- All flier copies must be received by the 20th of the month prior to publication.
