

Be Respectful – Wear a Mask

The United States Centers for Disease Control (CDC) recommends that people wear a cloth face covering to cover their nose and mouth in the community setting. This is an additional public health measure people should take to reduce the spread of COVID-19 in addition to (not instead of) physical distancing, frequent hand cleaning, and other everyday preventative actions. Avoid entering this facility if you have a cough or fever and maintain a minimum six-foot distance from others while in the facility.

Do Your Part – Stay Apart

Grover Beach Ordinance No. 20-05
