Dear AVAHO Partners,

We invite you to participate as an exhibitor at our upcoming annual meeting on September 24-26, 2021 at the Hyatt Regency Denver at the Colorado Convention Center.

AVAHO is the Association of VA Hematology/Oncology, dedicated to improving oncology care for our veterans. AVAHO has been providing educational programs for over 15 years now and our attendance has been growing steadily. Currently, we anticipate about 500 attendees (in-person and virtual) ranging from all specialties - physicians, nurses, advanced practice nurses, pharmacists, cancer registrars, social workers, and many allied health professionals. Our members come from many VA facilities throughout the country including Puerto Rico.

Our mission and purpose is to advocate for and provide leadership in delivering quality comprehensive care to Veterans diagnosed with cancer and hematologic disorders.

We do this by:

- Offering educational programs to members with the goal of improving the quality of cancer care to Veterans,
- Facilitating networking between members to broaden knowledge and best practice, and
- Exploring and facilitating research across the range of disciplines within the membership.

Our program focuses on various treatment and management of oncology diseases. This year our theme is "NEXTGEN CARE: Diversity, Equity & Stewardship."

Below is the link to our exhibitor page on our website that provides information on our exhibit fees and marketing opportunities. Registration is now online. Please visit the link below to register your company and make payment by credit card. Note fees may apply.
