# Welcome ...

The Mount Kisco Chamber of Commerce **(MKCC)** is pleased to present **the 2020 KISCO Connection Resource Guide**, providing you with an overview of our village, along with information on local businesses and organizations that make up Mount Kisco.

The Chamber of Commerce is a **membership organization** whose mission is to support, promote and draw awareness to the outstanding mix of merchants and professional services that Mount Kisco has to offer. Studies show that every dollar spent locally generates twice as much for the local economy. Buying local creates jobs and more jobs help more money flow back into the community for the growth of businesses, additional community tax revenues and more dollars for charitable endeavors hence ensuring a healthy local economy. Our Buy Local initiative aims to do just that. Chamber members have joined together to extend monthly offers to support Buy Local. More information about our Buy Local initiative is on the Chamber's website.

Throughout the years, the Chamber has advocated for economic success not only through business to business networking but through several key events. Each event encourages Chamber members as well as the community to participate and is designed to attract potential business to Mount Kisco. Connect with the Chamber on social media to keep informed on upcoming activities.

The cornerstone Chamber event to garner local attention is **SeptemberFest**. The downtown comes alive with an exciting combination of a street fair, a full-size carnival with rides and games, fabulous food, musical entertainment and other activities showcasing local groups. A resounding favorite of all ages, we look forward to continuing to expand the festivities and community participation in 2020. This event marks a successful partnership with the Village of Mount Kisco. Keep an eye out for the 2020 dates for this premier event!

The Holiday decorations that dress up the village and provide megawatts of joy are also a collaborative effort between the Mount Kisco Chamber of Commerce and the Village of Mount Kisco. All are welcome to our **Annual Tree Lighting** which includes a special visit from Santa and Mrs. Claus. Join us for songs of the season, holiday craft and community! Other holiday happenings include **Chillin' with Frosty** where children of all ages have the opportunity to shop, stroll, enjoy hot cocoa and take pictures with our favorite snowman. Let's see where he pops up this year! New this year will be our first **Holiday Stroll/WinterFest** in the downtown area. Details to follow, but be assured-there will be fun for all!

Annually, the Chamber recognizes an outstanding citizen and organization/business that has made a significant contribution to our village which benefited the community. A truly heartfelt event, the **MKCC Citizen of the Year** Awards Dinner takes place in May. Honorees will be announced in March, along with information on attending this outstanding event.

The Mount Kisco Chamber of Commerce is proud to have created an education fund for the benefit of a local student. The **MKCC Fox Lane High School Entrepreneurial Scholarship** is awarded annually to a graduating senior who demonstrates entrepreneurial spirit, academic achievement and a true sense of community.

All in all, the MKCC provides exposure to the businesses in Mt. Kisco and strives to maximize the myriad opportunities the Village offers to both residents and visitors with our events throughout the year!

We welcome new members, whether an established business or a new venture. To find out how we can best assist you in furthering your business or organization call us at (914)-666-7525 or visit our website at www.mtkiscochamber.com.

Sincerely,

Matt Grasso, President Mount Kisco Chamber of Commerce

# Looking Forward...

There is a buzz in the village of Mount Kisco and it sounds like Community!

Centrally located in Westchester County, accessible, culturally diverse and food centric, Mount Kisco is the proverbial hub of a wheel, with spokes reaching outward, touching many lives and welcoming all. 21st century thinking and planning is harmonious with the Chamber of Commerce (MKCC), Mount Kisco Arts Council (MKAC), and many other organizations and small businesses here, creating a vibrant culture of progress and activity.

The Village conducted a thorough and encompassing Comprehensive Design Plan, with the goal of formulating an updated 20 year plan. Village-wide participation was encouraged and highly regarded input has been woven into the tapestry of the future of Mount Kisco. Zoning changes have been adopted, most notably along the Lexington Avenue corridor,

allowing for the creation of condos. Radio Circle's options have expanded and there will also be a component allowing residential units above ground floor retail space in the downtown area, creating a mixed-use district, thereby attracting new businesses and residents.

The transit oriented development that is proposed for the North and South Moger lots will create a mix of residential, commercial and civic space, welcome new businesses as well as residents and stimulate the economic development of Mount Kisco.

The Village has several other initiatives designed for the enhancement of quality of life here in our bucolic village, including a downtown streetscape project that will see a transformation of our walking areas and open space. Follow the plans for the future, get involved and be part of the movement forward.

The Mount Kisco Chamber of Commerce is proud to be working closely with the Village, cooperatively pursuing opportunities of growth for our members by fully participating in the stimulation of the downtown business district, incorporating events and providing educational networking.
