CAREER PATHWAYS NEWS

WRITTEN BY ABRAHAM O. MENDOZA - EDEN
AREA ROP PROGRAM

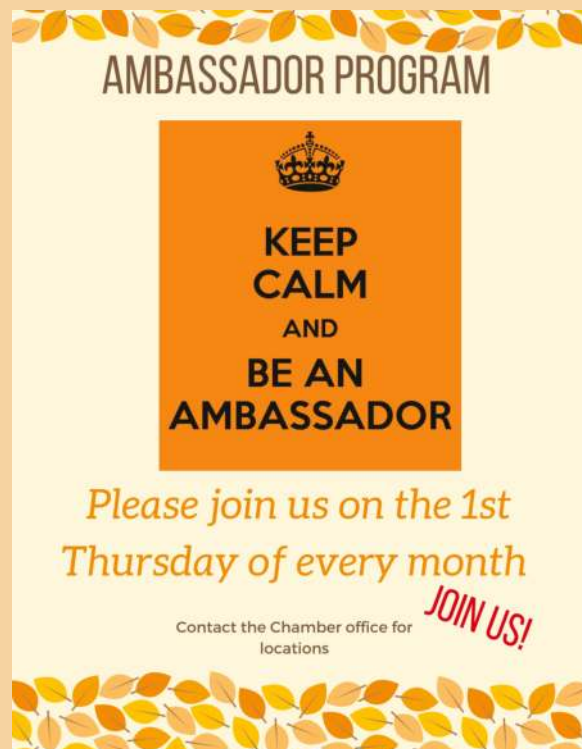

In 2018-19, we had a successful year setting up work-based learning opportunities for our Castro Valley High School's career pathways students. Companies like Tesla, Port of Oakland, OSIsoft, EBMUD, CVSan, Sutter Health, among others, were crucial partners in helping students get career exposure and other forms of valuable experiences that helped them see how what they learn in their classes relates to the modern workplace. From guest speakers, to field trips and summer internships, our students had the opportunity to see what careers are out there in the Eden Area and the greater East Bay.

If you are interested in helping our efforts in work-based learning next school year, below are our current CVHS career pathways:

- Automotive Technology
- Business
- Culinary
- Graphic Design
- Engineering
- Information and Computer Technology (ICT)
- Health and Biotechnology
- Photography

Our hope is that these robust work-based learning experiences will allow students to use the skills they learned in the classroom and apply them in a practical workplace setting. We thank our industry partners in opening their doors to our future workforce. We also hope to expand our pool of partners into the future as more local businesses see the value in helping us create the workforce of tomorrow. If you have any questions about the program and wish to participate in some capacity, please contact. Abraham O. Mendoza

THESE COMMUNITY LEADERS ALSO WORK BEHIND THE SCENES TO EDUCATE THE COMMUNITY ABOUT THE VALUE OF CHAMBER SERVICES. SHOWTIME AT THE LORENZO AND SAN LORENZO SUMMER SERIES

2 AWESOME EVENTS IN THE SAN LORENZO AREA!

The Showtime at the Lorenzo and the San Lorenzo Summer Series are almost here!

These 2 events will show case San Lorenzo First Strong which promotes businesses, Schools, Community, Families.

The Summer Series takes place on the following dates July 25 and August 29 and September 26 from 5pm to 9pm at 16010 Hesperian Blvd in the old Mervyn's parking lot. On the corner of Hesperian and Paseo Grande.

The Food Truck Mafia will be on hand at all three events to provide your taste buds with some awesome culinary delights. There is also free vendor space available on a first come first serve basis.

The Showtime at the Lorenzo is an event to continue to raise funds to bring back to life the San Lorenzo Theater. This once diamond of a entertainment mecca showed premiere movies and was the gem of the east bay in theater lingo.

In April 1947 the Lorenzo Theatre in San Lorenzo, California, opened with a flurry of excitement. Attending guests dressed in the height of fashion to view the opening of "Dark Mirror" starring Olivia DeHaviland. In the 1950s the theatre hosted Saturday morning "kiddie matinees". During the summer the Lorenzo Theatre gave free Wednesday movie passes to school safety patrols. Costume parties were held for the community on Halloween. From time to time live performances graced the theatre's stage. The Lorenzo Theatre was the first theatre in northern California in which audience members could perform on-stage during screenings of the "Rocky Horror Picture Show"

So why not come on out to these two events that will help the Community of San Lorenzo to grow, but at the same time help save a piece of history in San Lorenzo.
