

# AGC of Alaska NEWSLETTER

June 2021

## Are you ready to Golf?

The AGC Fairbanks Annual Golf Tournaments is taking place this year **on July 8 & 9** and we would appreciate your support!

**Sponsor** the Golf Tournament.

[Click here to Sponsor the Fairbanks Golf Tournament](#)

**Donate Door Prizes or Goody Bag Items** We love to give our golfers door prizes. So if you have something you'd like to donate, or put into our golf goody bag (180 for Fairbanks), please contact Emily at [Emily@agcak.org](mailto:Emily@agcak.org). (What a great way to have your company name and/or logo seen by our golfers.)

## Buy American under President Biden: What Construction and Supply Contractor's Need to Know Now!

President Biden emphasizes his administration's commitment to strengthening Buy American requirements. Given the administration's intent for stricter enforcement of domestic preference requirements, government contractors need to know these requirements, such as the Buy American Act ("BAA") and the Trade Agreement Act ("TAA").

Please join us for this timely webinar where government contracts attorneys at Oles Morrison Rinker and Baker will update the industry on:

- The Buy American Act and Trade Agreements Act for construction contracts
- BAA and TAA for supply contracts, key differences from construction
- Implementation and impact of recent changes to Buy American preferences
- President Biden's EO on "Ensuring the Future is Made in All of America by All of America's Workers"
- Heightened enforcement

## WebEd Series: Building A Resilient Future for Your Company

June 16, 2021 - 10:00 am to 11:00 am

August 17, 2021 - 10:00 am to 11:00 am

Member Price: \$0

Wednesday, June 16, 2021 | 2:00pm - 3:00pm | Part One: A Resilient and Healthy Workforce

Description:

Covid-19 has disrupted our lives, let alone our routines. In addition, we have received variations in directions, approach, and requirements on how to protect ourselves and our workers. These factors increase one's predisposition to cognitive biases. In turn, those biases mitigate one's resiliency. An effective coping strategy for any immediate or prolonged, i.e., Covid-19, stressor.

During this presentation, you will identify a few common cognitive biases; how they adversely interfere with one's ability to employ the coping strategy of resiliency; and then the areas of functioning that can maintain and enhance your level of resiliency will be presented.

AGC will host virtual "coffee chats". These "coffee chats" will allow a smaller group to have an open dialogue with the speaker. Space is limited and is first come first serve. The coffee chat option will be a separate registration and become available during the live webinar and offered the following day.

**Public Notice**  
**MUNICIPALITY OF ANCHORAGE**  
**Seasonal Vehicle Weight Restrictions**

For current information visit our web site at:

<http://www.muni.org/Departments/traffic/Pages/TruckInformation.aspx>

or contact Traffic Engineering at: Phone: 343-8406 / Fax: 343-8488

Effective 5 PM, Friday May 28, 2021 all streets owned or maintained by the Municipality of Anchorage will return to 100% legal axle load with permitted overloads unless otherwise posted. Overweight/Oversize permits may be obtained from the State of Alaska Division of Measurement Standards and Commercial Vehicle Enforcement permit office. [Click HERE](#) for a reminder of some basic requirements found in Anchorage Muni Code.

## **Virtual Construction Project Manager Course**

**Kickoff - Thursday, June 10, 2021**

**Monday, June 14, 2021 - Wednesday, June 23, 2021**

Member Registration Fee: \$2,250

Non-Member Registration Fee: \$2,750

Join us for AGC's Virtual Construction Project Manager Course (PMC). This virtual course will allow for attendees and speakers to interact via video conference. With this virtual course, you can still expect the same superior educational content and peer-to-peer engagement that you have come to experience at an AGC program.

This interactive program explores the critical areas of project management that seasoned project managers tackle on a daily basis. The course builds on itself, starting with the impact planning has on the overall project and moving on to scheduling, productivity and subcontractor/vendor management. The program covers legal issues, and much more. The course content is updated on a regular basis to keep current with industry trends and offers turnkey solutions participants can take back to share with colleagues.

Be sure to list the **AGC of Alaska Code: 02A** as your Chapter Code so that a portion of the revenue will go to our chapter, which we can use to better support our member's needs.

# Upcoming Events

Upcoming CLC Event Calendar (registration details to come)

## Gruening Middle School Earthquake Repair Project Tour: Friday, June 25<sup>th</sup> | Time: TBD

Join AGC of Alaska's CLC in the first of our summer project tour series this summer at Cornerstone General Contractor's Gruening Middle School Earthquake Repair Project. Gruening sustained extensive damage in the 7.1-magnitude earthquake in 2018. With design partner, MCG Explore Design, and over 60 subcontractors, Cornerstone is racing against the clock to perform a major renewal on the school to address the seismic, health, safety, and environment renovations in time for students to return this August.

The Gruening project tour is limited to 20 registrants, so sign up quickly! PPE required: hard hat, high-viz vest, safety glasses, and enclosed-toe boots. Masks optional. Registrants will be emailed further instructions two days before the event. Gruening Middle School - 9601 Lee Street, Eagle River, AK 99577

## CLC Grill & Chill: Thursday, July 29<sup>th</sup> | 4:00 pm- 6:00 pm

Join the CLC for an evening of yard games, food, beverages and fun in the AGC parking lot! Network with AGC + CLC members, play a game of corn hole for your chance to win a door prize, or simply enjoy a beverage in the sun (hopefully!) as we reconnect. A food truck will be on site, and beer and wine will be provided.

**US Army Corps  
of Engineers**  
Alaska District

## EM 385-1-1 Training (USACE) Lunch & Learn

Thursday, June 3, 2021 12:00 to 2:00 pm

Join David Prado, Safety and Occupational Health Manager with the USACE, Alaska District for an Orientation on the EM 385-1-1 Manual, focusing on the key areas that contractors working on military projects need to be familiar with. The manual covers the safety and health requirements for all Corps of Engineers activities and operations. Q&A to follow. In-person & Virtual options.

## Construction Quality Management (CQM) for Contractors

(Virtual) CQM-C course was developed by the US Army Corps of Engineers (USACE), Naval Facilities Engineering Command (NAVFAC), and Associated General Contractors (AGC). Upon satisfactory completion, a five-year certificate will be issued.

### ABOUT THE COURSE

We are partnering with AGC of California on the instructor-led virtual classes from the comfort of your home or office. Sessions are interactive with real-time feedback from your instructor. This course describes the QC/QA system successfully used by the Corps of Engineers and NAVFAC. Concepts are increasingly being adopted by state agencies, public authorities, and other local public sector owners. It details planning concepts, which are prevention-oriented to reduce tear-out, improve quality, and improve schedule. **Upcoming Dates include: June 11 & July 23.**
