November 18-22, 2019 \* Anchorage

AML invites community and business partners to join us for our **Alaska Community Block Party** At 6pm on Wednesday, November 20, in the Discovery Ballroom at the Hotel Captain Cook.

Communities from around the state will compete to show off their city or borough, bringing to one place the diversity and beauty of Alaska. *If you're attending RDC's 40th Annual Alaska Resources Conference that week, there is no need to additionally register for the block party. Just show your conference badge at the door.*

Disabled Veterans face incredible obstacles as they struggle to find a new identity in civilian life. Having been part of a supportive team of brothers and sisters while on active duty, disabled veterans often find themselves with limited support or even alone to face their new reality in a civilian world that they no longer feel connected with.

According to the Department of Veterans Affairs an average of 20 Veterans take their own life every day. In answer to this alarming statistic and to honor the brave men and women who selflessly volunteered to serve our great nation, in 2017 Challenge Alaska joined the movement and formed Alaska Warriors Hockey, specifically to serve disabled Veterans living in the Last Frontier.

Alaska Warriors offers disabled Veterans a community to rely on and provides a network to connect with other disabled Veterans. [Click here to about sponsorship opportunities.](#)
