

### Yankton Extreme Bull Riding Event Ready For Return

Yet another staple of Riverboat Days weekend is set to return to this month's festivities. After being canceled last year for obvious reasons, it is set to return **August 21 at 7:30 PM** at the Yankton Rodeo Arena at Paddle Wheel Point.

Yankton Rodeo Association president Doug Hevle told the *Press & Dakotan* – and the community – to expect a big show come Riverboat Days Saturday. "Everybody's saying, 'I think you're really going to have a heck of a good crown being as everybody was locked up last year.' So I think a lot of people are really looking forward to that weekend." He then added that many people are already pledging to help make this year's Extreme Bull Riding tour event a success.

Tickets are on sale at Hy-Vee, Larry's Heating & Cooling, Slumberland, and at the gate. Call 605-760-2153 or visit [yanktonsd.com](http://yanktonsd.com) for more information.

# ECONOMIC INJURY DISASTER LOANS

Available to South Dakota Small Businesses

Small nonfarm businesses in 32 South Dakota counties and neighboring counties in Iowa, Minnesota and Nebraska are now eligible to apply for low-interest federal disaster loans from the U.S. Small Business Administration, announced Director Tanya N. Garfield of SBA's Disaster Field Operations Center-West. These loans offset economic losses because of reduced revenues caused by drought in the following primary counties that began July 6, 2021.

The deadline to apply for economic injury is March 14, 2022.

Applicants may apply online, receive additional disaster assistance information and download applications at [disasterloanassistance.sba.gov](https://disasterloanassistance.sba.gov). Applicants may also call SBA's Customer Service Center at (800) 659-2955 or email [disastercustomerservice@sba.gov](mailto:disastercustomerservice@sba.gov) for more information on SBA disaster assistance. Individuals who are deaf or hard-of-hearing may call (800) 877-8339. Completed applications should be mailed to U.S. Small Business Administration, Processing and Disbursement Center, 14925 Kingsport Road, Fort Worth, TX 76155.

For More Information, Visit [yanktonsd.com](https://yanktonsd.com).

Small business owners who are running their enterprise on their own may benefit from outsourcing and investing in tech to avoid being overburdened with multiple tasks. You don't want to be spending all your time doing jobs that could easily be automated or better performed by a freelancing professional — you want to be able to focus on what keeps your business ticking.

# What We're Up To...

# WE NEED YOUR INPUT!

Kim NAGLE

## WE NEED YOUR INPUT!

Last week we hosted, Kim Nagle, business coach and author of The DAMN Plan, in Yankton for a networking and workshop experience. Thank you to all who participated! As we work on our next set of educational opportunities, what topics and speakers would most benefit you as a member? We would love to hear your input. Please email [becky@yanktonsd.com](mailto:becky@yanktonsd.com) with your ideas.

## Trainings & Courses

**Chart Your Career and Avera Education & Staffing Solutions** wrapped up their third and final 2021 certified nursing assistant training camp in Huron, SD. With their new skills and confidence, these high school students will soon make an impact in the health care industry and start their careers on the right beat. Congratulations to the team at AESS for hosting successful CNA training camps in Yankton, Mitchell and Huron this summer.

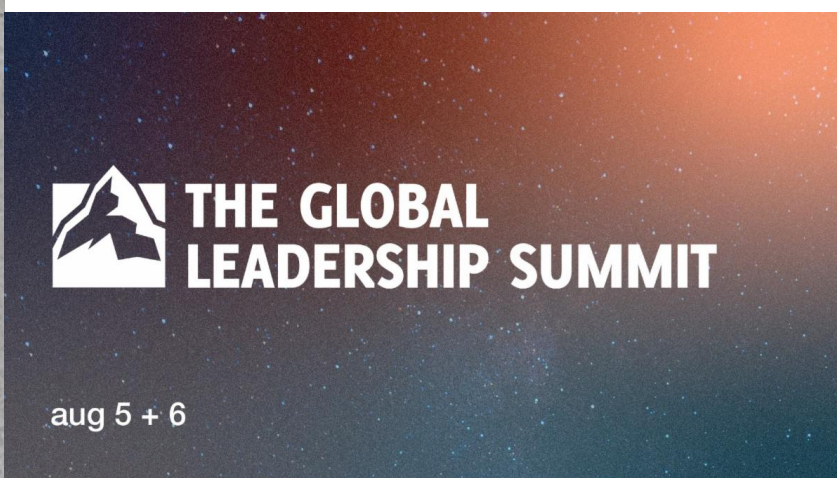

For More Information, Visit  
[Facebook.com/AveraEducationandStaffingSolutions](https://www.facebook.com/AveraEducationandStaffingSolutions).

**Congratulations** to the sixteen regional high school students who successfully completed the two weeks of skills and business training at the 2021 Yankton Manufacturing & Entrepreneurial Academy at RTEC. Over the course of the academy, students learned to weld, use lathes and mills, gain an introduction to CAD (computer-aided drafting) using Solid Works and 3-D printers. They also developed their teamwork and leadership skills by brainstorming new products, creating business plans, following the manufacturing process from concept to product, presenting a pitch for their new product, and touring many of our local manufacturing facilities.
