STUFF THE BUS

SCHOOL SUPPLY COLLECTION DRIVE

Help Prepare Local Students For A Successful School Year!

Back-to-school costs can be challenging. The *Stuff the Bus* Program – led by United Way of Greater Yankton and sponsored by Yankton Morning Optimist Club and Walmart – eases this financial burden. All supplies donated through *Stuff the Bus* are given out to local Yankton School District students at United Way’s School Supply Distribution just before the new school year.

Donations of school supplies are being accepted **August 1 –13, 2021, at Walmart, 3001 Broadway, Yankton, SD**. High on the wish list are earbuds, notebooks, folders, locker accessories, pens, and pencils. Students also need permanent markers, crayons, dry erase markers, scientific calculators, composition notebooks, index cards, and book covers.

Do not have time to shop for supplies? Monetary donations are accepted to fill unmet needs and ensure that every referred student receives supplies. Monetary donations can be mailed to United Way of Greater Yankton at 610 W 23rd Street, Suite 11, Yankton, SD. 57078.

Referrals from Local Health & Human Services Organizations are required for distribution and are

available by contacting United Way of Greater Yankton at (605) 665-6766 or email info@yanktonunitedway.org. For more information, visit yanktonsd.com.

UpSkill Programs Offer Certificates in High-Demand Fields

The Department of Labor and Regulation (DLR) and Board of Technical Education are partnering to provide eligible individuals occupational skills training through the state’s four technical colleges. The deadline to apply is Aug. 2, 2021.

UpSkill certificate programs are available for people who have obstacles to overcome to secure employment. Eligibility criteria vary and can include being laid off from a job, being low income or having a disability.

Nineteen certificates are available and designed as primarily 18-credit programs to be completed by spring 2022. They are available online, in-person and via hybrid formats. Credits earned from certificate programs can integrate with associate and bachelor’s degree programs at public institutions across the state.

All applications begin at the technical colleges. Individuals interested in participating should contact the technical college offering the certificate program of interest. For contact information, visit SDUpSkill.com.

Congratulations!

Yankton Thrive would like to
congratulate Bruce Cull and his staff
on another successful set of archery
tournaments. The economic impact of
these events reaches far beyond the

CONGRATULATIONS!

choices. Yankton is such a welcoming community and we look forward to rolling out the red carpet again in September to several hundred archers for the trifecta of archery events. There are plenty of volunteer opportunities in September and we encourage you all to sign up to support sports tourism in Yankton.

Facts and Misconceptions on Child LaboLaws

If you've hired any students under the age of 18 for the summer, this blog post from the OSHA Education Center is a valuable resource. From tasks you're able to give them to misconceptions on FLSA, this is worth a read if you employ anyone under the age of 18.
