What We're Up To...

Congratulations to our marketing intern, Stephanie Schwartz, on passing her FAA Drone (Part 107) License Exam!

We are thrilled to showcase the beauty of Yankton from a 'birds' eye' view. This will also allow us to promote our community in different ways through economic development opportunities, recruitment, and events.

If you think this opportunity would be helpful in promoting your business, let's discuss.

With all the fun things happening in Yankton this summer, it has us thinking calendars! Be sure to check out our updated (*and newly merged*) calendar at yanktonsd.com/events. Reach out to us if we are missing your event and we will be sure to add it. You can sort the calendar by a number of categories to help you find just the kind of event you are looking for.

Looking for other community calendars? Find those in the link at the top of our [events page >](#) or [right here >](#)

Our next Virtual Job Fair will be held July 11 – July 24, 2021 at greaterYanktonLiving.com, also featuring a live remote on the radio on July 15!

Geofencing, social media and radio advertising will be utilized to target recruitment of workforce to our numerous opportunities.

This recruitment event is free for employers and job seekers. Employers are invited to contact [Rita Nelson](#) to participate or for more details.

Our [Workforce Grant Program](#) remains available to support your recruitment and retention efforts. These programs provide some flexibility to utilize the grant to match your efforts to recruit a new employee or work with a technical school to identify a qualifying Build Dakota scholarship student or upskill a current employee. Employers may apply for multiple incentive programs detailed in the grant. The funds are limited; therefore, priority will be given to early applications and new Build Dakota Scholarship Industry Partners.

We are re-working the Westroads Mall Visit Yankton space in Omaha. We will be grouping participating businesses into themes such as Brewery/Winery tours; the Lake Life; Sporting Outdoors; Historical Yankton/Meridian District Shopping, Dining and Nightlife. This will help to visitors plan themed day trips and weekend trips to Yankton!

Reach out to [Jay Gravholt](#) if you are interested in taking advantage of this partnership opportunity. We hope to continue to provide a wide variety of attractions and services to position ourselves as an even stronger destination.

If you haven't had a chance to see the logo reveal video from our Yankton Thrive Mixer on June 16,

2021, check it out here. We are so grateful to all of you for your support through this process and we are so excited for what is yet to be achieved.
