****This email went to multiple list(s). We apologize for duplicate emails. Thank you.***

Dear ACEC/NC Members,

Since the release of the Governor's Executive Order #224 concerning COVID protocols and procedures, ACEC/NC has been working with NCDOT leadership to clarify questions and craft a unified message to our industry.

NCDOT has assured ACEC that a response is forthcoming that provides further direction on how Executive Order #224 will be implemented into any business practices associated with NCDOT. Once we have received NCDOT's directive, ACEC will immediately disperse information to our member firms.

ACEC has continued to express the importance of an expedited response to Executive Order #224 to assist our industry partners with implementation.

Stay tuned...
