We're advocating  
for the N.C.

## A message from Executive Director James Smith

Dear ACEC/NC Member,  
As this fiscal year comes to a close for ACEC of North Carolina and we begin a new one, we are working in an unprecedented and evolving "norm" as our state and country navigate the short- and long-term implications of COVID-19... [read more here](#)

## Get to know the ACEC/NC Strategic Plan

Over the last several months, we've developed a strategic plan in order to better reach, engage, serve, and communicate with all ACEC/NC members and firms across North Carolina. Our mission is to promote the business interests of engineering companies by providing legislative advocacy and business services. To read the plan in full, [click here](#)

## Thank you for your dedication & service!

We want to thank Derek Clyburn, Josh Dalton, and Gary Hartong for their service to the board and the association this year... [read more here](#)

ACEC's statement of

## Paycheck Protection Program Flexibility Act signed into law

The American Council of Engineering Companies is one of several industry groups that backed the new PPP legislation aimed at providing support for small companies as they continue to deal with impacts from COVID-19... [read more here](#)

## ACEC/NC & Member News

Statistics show the impact of traditional and non-traditional diversity on **#recruiting**, **#retention**, and your **#bottomline**. Our CEO, @cstorrusten sat down with @jurbanchuk from @ACEC\_National's **#engineeringinfluence** to discuss the topic. Download the podcast here: [bit.ly/acecpoda](https://bit.ly/acecpoda)

We're so excited to receive the 2020 Best Employers in North Carolina award! We wouldn't be where we are today without our incredible **#LMFamily** — let's celebrate <https://lnkd.in/e99jfbQ>

Freese and Nichols, Inc., has significantly expanded its expertise on environmental issues facing public and private clients with the addition of Jason Steele, PWS, in North Carolina. A Senior Environmental Scientist based in Winston-Salem, Steele has spent more than 13 years managing projects involving stream and wetland restoration, environmental compliance and other natural resources-related work.

Jake Carpenter, PE has joined SEPI as the Charlotte Traffic Operations Manager to grow and expand the traffic engineering services. Jake's leadership within the traffic engineering service line will significantly contribute to the overall Transportation Department.
