

What is the Pleasant Hill Chamber of Commerce?

The Pleasant Hill Chamber of Commerce is a not-for-profit membership organization consisting of businesses who care about our growing community. We coordinate ideas, energy, and financial resources to accomplish collectively what none of us could accomplish individually.

We exist to promote economic growth in Pleasant Hill and surrounding cities, to provide members with the resources and tools necessary for their businesses to succeed, and to affect public policy decisions to the benefit of Pleasant Hill and surrounding areas business community.

Why your Business Should Become a Member

- **Business Exposure** - Chamber membership expands your network of customers and suppliers by providing you with outstanding networking, involvement and advertising opportunities.
- **Information Services** - Keep on top of business-related issues and changes critical to your business, and take advantage of the services we offer to help your business grow and prosper. Our staff maintains statistical data to meet most business needs.
- **Credibility** - Numerous consumer surveys have shown that customer perceptions are enhanced by Chamber of Commerce membership.
- **Business Referrals** - Our Chamber staff answers hundreds of inquiries each year for referrals of products and services. Only member companies are referred.
- **Governmental Affairs** - The Pleasant Hill Chamber ensures that the business community has a strong voice at all levels of government by sharing the concerns of our employers with our elected officials.
- **Community Development** - We promote our community to potential businesses and residents who become your customers, clients, and workforce.
