

The Putnam County Chamber of Commerce serves as the County's economic development agency, with specific responsibilities to:

- Develop quality, competitive wage jobs.
- Promote the health and expansion of existing businesses.
- Provide the resources and supportive environment to help local businesses grow.
- Market Putnam County to target industries and within the state and region.
- Support workforce efforts that increase the skill and education level to ensure a qualified workforce able to fill current and future jobs.
- Promote and expand existing & future relationships on regional, state and federal levels.
- Continue a working relationship with government officials and foster coordinated economic development activities through the PCEDC.

RECENT PROJECTS:

Seminole Electric—Gas Generation Unit
\$750 million investment (completion expected 2022)

Georgia-Pacific \$600 million investment/80 primary jobs (completed 2021)

FP&L - Solar Farms \$360 million investment 200 temporary construction jobs (completed 2021)

Comarco \$12 million investment and 120 jobs (completed 2020)

We work diligently to use the resources you provide wisely in our continuous effort to develop innovative tools to ensure our community's success. Your participation will directly help the Putnam County economy move forward with a solid future by helping build strong businesses, which in turn create high-quality jobs.

Benefits of being a PCEDC investor include:

Investing in the community's economic development program – helping to grow ALL businesses

Special recognition on the Chamber's website.

Advance notification of announcements, and special announcement events.

Special invitations to regional economic development meetings.

Quarterly luncheons with prominent guest speakers & activity updates
