*Nominate a representative to serve as an Ambassador for the
Albertville Chamber of Commerce*

The Ambassadors are individuals who give of their time and talents to make sure our members feel connected and to make sure those who are not members feel invited. They give their employers added visibility and networking opportunities at Chamber and Community events.

Ambassadors focus on the membership by providing recognition for new store openings, new locations, ribbon cuttings, ground breaking ceremonies, and anything that is significant in that business' work. Our members are the critical component of what we do, and the Ambassadors are charged with recognizing the good things they do by investing in their community.

Ambassadors are the eyes, ears, arms, and welcoming smiles of the Chamber!

The Chamber of Commerce is currently looking for individuals interested in becoming an Ambassador. Chamber Ambassadors are elected by the Board of Directors to serve a 3-year term. Organizational meetings are held on the first Wednesday of each month at noon.

To nominate an employee to be an Ambassador, please fax this form to 256.878.3822 or
