

February 2021

Dear Member:

On behalf of contributing members from the Plymouth Chamber of Commerce, we would like to reward up to four Plymouth/Canton students with Student Citizenship Award Scholarships, and we need your help!

These scholarships will be based on community service only, not grade point. There will be a selection committee that will pick students who are seniors from the Plymouth-Canton High Schools or a non-P-CCS student who lives in the district. While it is more difficult to volunteer in the community at this time, there are still many deserving students who continue to find ways to support the needs of others.

We are asking our members to consider a contribution to the fund that will provide each student selected a scholarship for \$1,000. **One-hundred percent of the funds raised will go to these scholarships.** If we raise more than \$4000, we will reward larger scholarships to our recipients. Now it is up to us to reward students for leadership and involvement in our community, through donating to the scholarship fund. **All donations are tax-deductible, and contributors will receive a receipt.**

As a contributor, **your company** will receive recognition on the Plymouth Community Chamber website.

The deadline for donations is April 9, 2021. We hope you will please help support the future leaders of our community with a donation to fund these scholarships. Thank you for considering our request.

Yes! We want to support the outstanding students in our community through the Student Citizenship Award Scholarships.
