

Host Business Information Sheet

Presented by:

(Presenting Sponsor Logo Here)

Thank you for your interest in hosting a Careers After School event. The purpose of Careers After School (CAS) is to help students and their support networks discover occupations and training pathways through enriching career-connected learning events held on-site at local businesses. During CAS business and industry partners provide valuable information, hands-on activities and connections to better equip our youth as they make plans for the future.

Connecting students to our local business community initiates a mutually beneficial relationship that gives businesses the opportunity to actively engage with the workforce of tomorrow, laying the groundwork for future success.

The Details

- Hosting Business must be a member of the Wenatchee Valley Chamber of Commerce.
- The audience for this event is sixth through twelfth graders, their parents and educators.
- CAS event dates and times are based on business host availability. The event should be two hours in length and ideally would take place between 5-7pm.
- The size of this event will be up to 25 attendees and registrations are based on a "first-come first-served" system.
- The Chamber and Wenatchee Learns Connect will create an info sheet which outlines the careers that will be highlighted as well as the education/training that is required for each. This will be a take away for the students.

Host Fee: \$250

The Host fee will be used to:

- Provide refreshments and snack to the attendees of the CAS event.
- Develop marketing and promotional materials for the event (see **Host Benefits**)

Host Benefits

- Recognition in Wenatchee Valley Chamber promotional materials the month prior to the event. These include:
 - The Chamber mailer sent to all Chamber members (630+), newsletter printed in the Wenatchee Business World, Chamber website & social media outlets, community events calendars, and the monthly e-newsletter.
- Promotion in area school districts leading up to the event. Including but not limited to; flyers, website and social media posts and event posters.
- Benefits to Business
 - Helps students develop critical workplace skills.
 - Prepares students for future careers.

- Provides employees with youth mentorship opportunity.
- Ability to showcase careers in your business/industry.

Host Responsibilities

- Chamber and Wenatchee Learns Connect staff will work with hosts to create a unique, education Careers After School experience that highlights occupations inside the host business.

Please direct all inquiries to Chelsea Ewer at chelsea@wenatchee.org or call 662-2116.
