Our mission is to promote the prosperity of local businesses and the well being of the community as a whole.

On behalf of the Board of Directors of the Pacific Grove Chamber of Commerce, we would like to invite you to become a member of this vital business organization. The Pacific Grove Chamber represents organizations that realize an investment in the Chamber of Commerce and our community equals an immeasurable return.

We believe in offering businesses unique and effective ways to grow their business through creative marketing, networking, education and leadership development programs. We believe in understanding the needs of our business community and working to advocate on behalf of our businesses. And, we believe in working within the local community to promote our area and create a strong connection between businesses, residents and visitors.

As a resource for business owners and professionals, our vision is to create a thriving business community through meaningful connections, igniting growth opportunities and advocating for a healthy economic environment.

It's not just a membership with the Pacific Grove Chamber of Commerce, but a partnership. We will work with each member to ensure that they know how to utilize the tools available for their business and receive a return on their investment.

The Pacific Grove Chamber looks forward to supporting you as you grow your business. We offer tiered membership levels. Give us a call and we will be more than happy to work with you.

1. Why did the Pacific Grove Chamber of Commerce change the membership structure?

Like many member-based organizations, we are moving to a tiered structure that provides benefits based on investment level, instead of number of employees. Our goal is to enhance the value and quality you receive from your PGCC membership through our NEW software.

2. How is the new structure different from the old one?

The tiered structure clearly outlines the list of benefits members receive for each level. The new membership structure is more equitable across all types of industries. You will no longer be charged for services you do not use and will not be “punished” for growing your business.

3. Will I still be able to receive benefits that are not included in my selected level?

Even though many of the programs and services are available a la carte, in most cases it is more cost-effective to use benefits within your designed tier (which may be offered at a discount). Many of the programs are available to purchase separately at their stated fees. Some benefits, such as invitation-only or VIP receptions, are only available to members who invest in the selected levels.

4. When do I have to change to the new structure?

The PGCC staff will send a renewal letter about 60 days prior to your anniversary date that recommends a membership level best suited for your business. Until your anniversary date, your dues are still reflective of the previous employee count structure.

5. What if I choose to upgrade to a different tier during the year?

If you upgrade on your anniversary date, you will be billed for the new tier. If you upgrade after your anniversary, you will be billed for the difference between the new tier and the unused portion of your current tier.
6. How do I access the benefits in my tier?

Membership benefits in your tier may be accessed any time during the annual period. If there are benefits stated that you want to access, call or email Chamber staff. PGCC staff will send you the item, provide a link, or get you registered!

7. Which level is best for my business?

Although the PGCC staff can recommend a level that is appropriate for you, you will have the choice to select your membership level. Each level offers a package of benefits for a fixed investment for one year. You may opt to select a different level the following year based on how you want to engage with the PGCC and community.

8. What about non-profit organizations?

Non-profit organizations, 501c3, may select any tier of membership. There is a 10% discount up to $100 for non-profit organizations.

9. Can I pay my annual membership dues in multiple payments?

The PGCC prefers that you pay your annual investment in full; however, we will work with you based on your individual needs. Please call the Chamber office to discuss the options available.

10. Who can answer other questions I have?

For additional questions, please feel free to contact Chamber staff. The Pacific Grove Chamber of Commerce staff can explain the programs, services, and benefits.

11. Can I sign up for reoccurring billing?

Yes! Please call the Chamber office to get set up.
