shelly.bell@orbiscorporation.com

When we reflect on 2021, we may think of it as a rollercoaster ride. The ups and downs and sharp curves at times have made us rise to the occasion. I like to think that there were more ups than downs in our community. It seemed like the pandemic affected almost every aspect of our work and personal life.

In 2021, we found our community opening for the first time in almost a year. Things started to return to normal. The Chamber has helped a great deal with providing us with a sense of normalcy with the Business Connects, Ribbon Cutting, and other events.

As an employer in Nelson County Area, the BNCC has been a valued partner. They have helped employers reimagine their workforce and recruiting practices. The community job, talent pipeline project, and the job fair, to name a few of the activities. These efforts have not gone unnoticed by those locally, regional, and at state levels.

The Chamber has been ever-evolving and meeting, not just those challenges related to the pandemic. They have taken on social issues dealing with Diversity, Inclusion, and Equity among our Nelson Countian. The Diversity and Inclusion Committee was noted as one of only 4 in Kentucky.

Lastly, I want to acknowledge the chamber staff Lisa Thomas, Executive Director. Jennifer Rhodes, Membership Benefits Coordinator, and Hannah Viens, Operations and Finance Coordinator, without this amazing trio, it just would not happen. I am expecting a great 2022 with their support and the support of all the Bardstown Nelson County Chamber of Commerce members. I am truly honored to serve as your 2022 Chairperson, and I am thankful for all the support that the BNCC has provided the community.

Sincerely,
Shelly Bell

Despite the ongoing pandemic, the Chamber had a great year. We are committed to staying connected with community leaders and partners. During COVID 19 restrictions, the Chamber offered two networking events; Blitzzer and Business Engage Small Networking. These events were offered until our Connects made a full comeback and were well attended.

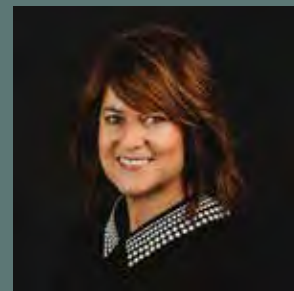

During 2021, the Chamber created or partnered with new community events. Spread the Love, a new event that promoted spreading the love to our business partners and all money raised went to small businesses to purchase items for giveaways. The Chamber Chase offered a summer of fun for teams that traveled the community completing challenges. This event gave donations to five of our local nonprofits. We also partnered with Tourism and Main Street on Cheers to Bardstown and with Main Street with our Shop Local 'Round Bardstown that brought over 1000 people in to shop local on Small Business Saturday and participate in many events around Nelson County including a skating rink. The chamber offers a member and chamber monthly e-newsletter that received an award for Excellence in E News from the Kentucky Chamber of Commerce Executives.

We are continuing our work in workforce with our Hub website that provides over 100 workforce resources to the community and a platform for posting and searching jobs. The website received the Excellence in Website Award from the Kentucky Chamber of Commerce Executives. The Chamber also held a Virtual Job Fair, In-Person Job Fair, and participated in a local teen job fair.

We also partnered with the Kentucky Chamber Workforce Center and launched a new Talent Pipeline Management collaborative addressing community needs of Hospitality Careers in 2021. TPM Collaboratives assist in determining the future needs of our local workforce.

Lastly, the chamber stayed committed to our diversity initiatives in 2021 by hosting a Diversity Series of classes provided by ECTC. As always, we thank you for your continued dedication to our cause. We look forward to serving you for another year!

Sincerely,
Lisa Thomas

In 2021, the Chamber held a series on Diversity & Inclusion. This important conversation gave participants a clearer understanding of diversity in the workplace. Created an awareness of the benefits inclusion by embracing diversity in the workplace. A special thanks goes to Elizabethtown Community & Technical College for partnering with us.

THE HUB

WORKFORCE RESOURCES

The Hub website is a one stop shop for all your workforce needs with over 100 resources for employers, job seekers, students, educators, and the entire community. The website allows employers in the workforce community to add jobs, hire students, and add resources. The community will have easy access to search for jobs and find resources for housing, transportation, educational needs, and more. The Hub website also hosts the IMBLAZE database that allows employers looking to hire students or start co-ops to connect with our local schools.

Workforce remains one of our top priorities and over 500 local job openings have been posted to the Hub since our launch in August of 2020. Last year proved to be a productive year, the Chamber kicked off the year with a TPM takeover with the Kentucky Chamber Workforce Development Center. We made many visits to local employers and created a new collaborative effort in the Hospitality Industry. We also had a job fair with over 30 employers present and we are planning another job fair in 2022. We are continuing to address the needs of our employers by seeking transportation options and with local partnerships that share our same workforce concerns.

ANNUAL AWARDS 2021

The Bardstown-Nelson County Chamber of Commerce typically hosts an Annual Awards Ceremony, but due to COVID, the event was cancelled. The Chamber felt it necessary to go ahead and honor our winners by surprising them with close friends and family in a private ceremony. In 2020, the year provided many challenges, but there were some community members that stood out with their passion and commitment to helping others during such unprecedented times. The Chamber caught these special moments on video that you can watch on Facebook.

Congratulations to our 2020 Annual Award Winners:

Woman of the Year: Celeste Dawson

Man of the Year: Matt Bowman

SHOP LOCAL 'ROUND BARDSTOWN

The Chamber and Bardstown Main Street kicked off the Holiday season with a bang! Starting off with Bardstown Main Street's 11th Annual Light Up Bardstown. It was such a magical event filled with twinkling lights and a special visit with Santa & Mrs. Claus. Followed by Shop Small Saturday full of shopping, dining, trolley rides, ornament painting, and storytime with Santa at the Library. Topping it all off with our 1st ever ice-skating rink where families made memories for years to come. We loved seeing all the smiling faces and laughter.

AND DAY AT THE RACES

We had another great event at Church Hill Downs for Day at the Races. Thank you to Abound Credit Union for sponsoring this event! We look forward to seeing everyone again next year!

A NEW KIND OF DESTINATION SOAKED IN BOURBON HISTORY

Dant Crossing is a one-of-a-kind destination to make lasting memories with family and friends. The pastoral campus is anchored by Log Still Distillery, where you can enjoy our truly outstanding Monk's Road spirits. Enjoy world-class entertainment at our outdoor amphitheater, The Amp, stay overnight at one of our unique lodging options, host an unforgettable experience at our 18,000-square-foot wedding and events venue, and enjoy walking trails around our 12-acre fishing lake. More attractions will open soon, including a fully functional private train depot and farm-to-table restaurant.

CHEERS TO BARDSTOWN

empowering Kentucky businesses, now more than ever.

Our support of Kentucky's economic recovery goes beyond providing safe, reliable, affordable energy. We're opening doors for new opportunities in a variety of ways, including identifying sites to bring new business to our state and providing grants to communities for expansion. Visit lge-ku.com/economic-development to learn more.

Bardstown.

Hometown care at its best.

Flaget Memorial Hospital

Founded in 1951, Flaget dedicated a new state of the art facility in 2005 in a growing sector of Nelson County, on New Shepherdsville Road. Since that time, Flaget has built two medical office buildings, created a cancer care center, and expanded services into New Haven, Willisburg and Lebanon.

As a traditional community hospital, Flaget's key service lines are focused on providing the highest quality care to all residents. So whether a newborn or one of the community's oldest residents, patients can get outstanding health care close to home.
