

What is the Ambassadors Program?

The Ambassadors are a group of active Lake Travis Chamber of Commerce members who volunteer their time in the business community.

Ambassadors work with the Chamber of Commerce staff and membership committee to increase membership, improve membership retention, strengthen awareness of Chamber benefits, and assist with various Chamber events. Ambassadors are the front lines for the Lake Travis Chamber of Commerce. Their commitment and participation in Chamber events are critical to the success of the Chamber and is greatly appreciated!

An Ambassador has the opportunity to meet business leaders for potential business and social contacts. Our Chamber has grown substantially, and our brand is well-respected in the community. Being an Ambassador adds credibility to you and your business.

An Ambassador Orientation will provide you with the "Tool Kit" to educate you on all things Lake Travis Chamber and to be prepared with any questions you may encounter as you welcome new members and thank renewals for their membership.

An Ambassador will have leadership opportunities and may have the opportunity to advance into other Chamber leadership roles (Chamber's Board of Directors, Chairperson for Ambassadors, etc.) Ambassadors have an opportunity to receive special invitations to exclusive "invitation only" Chamber events. Each Ambassador must be a current chamber member, in good standing. An Ambassador should be in a position that allows flexibility to carry out the duties described. An Ambassador should be interested in community involvement and have future leadership potential and skills.
