

## AMBASSADORS APPLICATION

The primary focus of the Royal Gorge Chamber Alliance Ambassadors is to assist the RGCA in its membership retention efforts, while supporting the RGCA staff as they strive towards their new membership recruitment goals. This is a select group of up to fifty individuals representing a cross section of The RGCA's membership. Multiple representatives from any one company may be permitted by the Ambassadors' officers.

### Volunteer requirements for consideration include:

- Serve as the public relations arm of the RGCA by actively participating in member retention activities such as ribbon cuttings, Business After Hours networking events and other chamber programs.
- Fostering relationships with assigned member accounts by increasing their involvement within the RGCA and its many programs and events.
- Your time. Plan an average of two hours per week commitment to the group for business and relationship building opportunities. (Includes monthly meetings.)

### Volunteer benefits include:

- A unique opportunity to become more connected with the business community and help support your fellow members.
- Developing an expanded network of contacts and strengthen both professional relationships and personal friendships.
- Exposure and recognition for both you and your company. The Ambassadors achievements are your successes, and these are highlighted and through various chamber alliance communications and recognized by leadership.
- All Ambassadors will receive a nametag.
- All Ambassadors that volunteer will receive complimentary admission to Business After Hours.
- Opportunities to promote your company via monthly meetings, ribbon cuttings, and many other events.
- Must have fun, it's a requirement!

*I fully understand the Ambassadors requirements and agree to fulfill and adhere to those requirements if re-selected. My employer is a member of The Royal Gorge Chamber Alliance and is in good standing during my participation in the Ambassadors.*
