

WORKSHOP

Anhydrous Ammonia Tips From the Field

MINNESOTA DEPARTMENT OF AGRICULTURE (MDA)

**Minneapolis Convention Center
Room 211AB
10 AM – 11 AM
Tuesday, December 10, 2019**

You must be registered to attend the Minnesota Crop Production Retailers (MCPR) Short Course to Attend the free Anhydrous Ammonia Workshop. MCPR Short Course registration information can be found at: <https://mcpr-cca.org/short-course-programming-information/>

Who Should Attend

Anhydrous ammonia (NH₃) storage and equipment handlers; applicators, including growers; facility maintenance employees, managers, safety/compliance staff; and local, state and federal emergency responders.

Information Will Include

- Most commonly found, and most hazardous, NH₃ equipment and storage tank violations
- Other program updates
- Commonly asked questions and responses
- Nitrogen Fertilizer Rule Update

If you have questions regarding the NH₃ workshop, please contact Jane Boerboom, MDA Facility Management Unit Supervisor, at 651-201-6540 or jane.boerboom@state.mn.us

In accordance with the Americans with Disabilities Act, this information is available in alternative forms of communication upon request by calling 651-201-6000. TTY users can call the Minnesota Relay Service at 711. The MDA is an equal opportunity employer and provider.
