Serving the Community

for
75 years!

Seventy five years ago, the founders of Citizens Bank of Florida first opened our doors for business. They did so with a firm commitment to making a difference in the lives of those who would call us their banking home. Through the generations, the faces and names have changed, but our dedication to service-driven, relationship-based banking remains the cornerstone of our brand of banking, to the benefit of our customers and the communities we serve. We would welcome the opportunity to introduce you to true community banking at its best!

PRESIDENT'S REMARKS

— Bridget Lake, President and CEO
Oviedo-Winter Springs Regional
Chamber of Commerce

Dear Members and Community,

I have heard many people say that they can't wait for 2020 to be done. I don't blame them. 2020 was challenging for all of us and it is why our chamber opened some of our services to the entire community, as we saw the need to support the business community as a whole.

As devastating as COVID-19 has been, it sparked the creativity for businesses to continue to progress, persevere, and position themselves to reinvent strategies which changed in real time.

Sadly, some businesses have closed their doors for the last time. For others, including the Chamber, we faced, met, and exceeded this challenge. The creativity was, and is, electrifying and even the most grounded of businesses faced the jolt of this experience.

In the midst of Covid-19, our flexibility and ingenuity resulted in an AWARD-WINNING Hob Nob, recognized by the Florida Association of Chamber Professionals as the Best Public Relations Program—Under \$500,000 Category for our 100% Virtual Hob Nob, which was viewed and admired by thousands of participants.

We must also remember to stop, breathe, and look back with pride at the progress achieved. Beyond the four walls of our own businesses, this experience has allowed our businesses to cheerlead each other, come together, bond, and support our community. Though physically distant, our collective efforts to succeed brought us closer together.

Thank you for giving me the privilege of serving as the President and CEO of this amazing chamber. I promise to continue to stride forward, standing with our members to face challenges of all types that the future will inevitably bring. I am proud of our community. I'm proud to be a part of our community and most of all, I am proud to be an American.

CHAIR'S REMARKS

— Randy Perry, REALTOR®, Metro
Realty Group and Chair of Board of
Directors, Oviedo-Winter Springs
Regional Chamber of Commerce

Dear OWSRCC Community,

In 2013 after decades of selling technology throughout the country I wanted to do something local. I decided on real estate for a number of reasons: it allowed me to capitalize on my skills as a sales person, my experience in creating and running my own business and in negotiating complex contracts.

The problem was I had been away from Central Florida for 30 years and had no network of local contacts to kick start a business that is based on referrals and trust.

That's when I joined the Chamber. I knew that in order to expand my network, in order to gain trust, I would need to give back. I volunteered for as many committees and events that I could fit into my schedule. And it worked.

In 2016 I was invited to join the Board of Directors. I became Chair of the Economic Development Committee and in 2019 I was asked to join the executive team. In 2021 I have been nominated and elected to be the Chair. For the people that have had faith in me, I thank you.

For those that are looking to make a buck by joining the Chamber – well, I am proof! Not only have I met what I hope to be life-long friends, but I have gained customers as well. People that got to know me, saw how serious I was in trying to make the local business community succeed, and got to trust in me, asked me to represent them with their real estate needs.

Thank you OWSRCC.

A little bit of history about the Oviedo-Winter Springs Regional Chamber of Commerce

THE OVIEDO-WINTER SPRINGS REGIONAL CHAMBER OF COMMERCE

In the early 1980's Oviedo was a sleepy little town on the brink of fast growth and huge changes. Undeterred by the fact that two previous attempts to form a chamber had failed in the past, Nita Rawlson gathered a group of 10 local businesspersons and organized an initial meeting at Citizens Bank on January 28, 1982, to pursue forming a chamber.

The ten founding members – Wiley Abel (President, Citizens Bank of Oviedo), Johnie Conley (Conley and Assoc.), David Evans (Wheeler Fertilizer Co.), Jim Massey (Water Aides), Larry Neely (Outlook Newspaper), Nita Rawlson, Ben Ward (Ben Ward Agency), Don Weaver (B&W Quality Growers), B.F. Wheeler, Jr. (Nelson and Co.) and Harvey Winchester (Gale-Ward and Winchester Insurance) – agreed to commit time and effort to obtaining interest and support from at least 50 local businesses to get their idea off the ground. At the second meeting, one month later, they had collectively obtained pledges of support from 90 local business interests.

After meeting in various offices and restaurants in the area, on January 27, 1983, the chamber moved into its first official office located at 78 W. Broadway in Oviedo. The one-room office was donated rent-free and the staff was made up entirely by volunteers. The chamber moved its

headquarters to the historic Lawton House in 1989.

Under the leadership of then President Cory Skeates, the chamber celebrated its 30th Anniversary in 2012, and in February of 2014 purchased and moved into its first permanent home at 376 N. Central Ave. in Oviedo where it looks forward to serving both communities for years to come.

Today's luxuries of first-class amenities, when combined with the continuation of the Founder's commitment to member services, ensures the future growth of the chamber and the continued success of our business community.

OVERVIEW

The cities of Oviedo and Winter Springs are located in one of the state's most desirable communities, is recognized for its pristine beauty, extraordinary quality of life, and top-rated schools. With its wide range of dynamic businesses and commercial opportunities, the cities are positioned in Seminole County within the greater Orlando metro region, in the midst of internationally renowned attractions and diverse economic entities. Although experiencing unprecedented growth, both Oviedo and Winter Springs remain committed to preserving their hometown charm and cherished traditions.

CITY OF OVIEDO

The story of Oviedo's history goes that it was first settled because of its accessibility to Solary's Wharf, a landing on Lake Jesup that provided merchants an opportunity to distribute the products of a year-round growing season. With merchants came settlers who recognized the natural beauty of Oviedo's lakes, rivers, and subtropical climate. Doctors offered convalescence on the shores of Lake Charm.

Today, Oviedo's beginnings are reborn. The arrival of a multitude of shopping, medical and retirement services support the arrival of new "settlers" to Oviedo each day. Families enthusiastically enjoy Oviedo's noted beauty and charm exhibited along the Cross Seminole Trail.

The Oviedo-Winter Springs Regional Chamber of Commerce supports the area's growth with a special merging of both new and old within the community. Here in Oviedo, you'll find capable city management ensuring planned growth, expanding recreational facilities, fire and police services and diligent protection

of Oviedo's natural resources. You'll also find friendly neighbors raising families in an excellent school system, which enables a person to go from preschool to post graduate degree, all within five miles of Oviedo.

High tech and professional jobs are mainstream for Oviedo, where income demographics are tops in Central Florida. Religious, civic and social groups round out Oviedo in a way that allows a hometown atmosphere to prevail in an ever-growing environment. Today, the population as of 2021 is estimated at 40,145.

CITY OF WINTER SPRINGS

Tuskawilla came to be when a New York merchant made a fortune in lumbering and trade with the Spanish. The holdings from Spanish land grants included the land, later named Winter Springs. Henry Gee, a wealthy landowner and his son, John Henry Gee, persuaded the territorial governor to give them part of the old land grant along Lake Jesup.

The lake's wharves went as far down as they could so that

COMMUNITY OVERVIEW

steamboats could land freight for wagons to haul goods to Maitland and Orlando. Many farmers brought their crops to the lake's wharves. W.W. White, whose wharf near Clinton Springs had everything the settlers needed, was one of the most successful merchants at Lake Jesup.

Soon, lumbering crews, sawmills, and turpentine stills were being built in the south, as well as the movement of cattle along the spring-fed lakes.

Winter Springs celebrated its 61st anniversary in 2020. The community was officially incorporated as North Orlando in 1959, with less than 600 residents. Ultimately, North Orlando became Winter Springs, now one of the largest communities in Seminole County with 38,595 residents, and over 300 acres of award-winning parks.

PROGRESSION

Over time, the Oviedo-Winter Springs area has grown from a quiet farming community into a thriving area that offers a unique mix of tranquil suburban living and easy access to big city conveniences. Its pristine beauty continues to attract new residents and visitors who enjoy the outdoors. Planned growth ensures that the area's natural resources remain unspoiled, while also providing residents with forward-thinking public services and up-to-date facilities.

HONORABLE AWARDS

Both cities' commitment to enhancing the quality of life for residents is reflected in numerous accolades and recognitions. The City of Winter Springs was chosen as the "Best City in Florida for Young Adults" in 2014 by CreditDonkey.com. In 2016, Winter Springs was named "Florida's top 10 Best Towns for Families with Children" from Neighborhoodscout.com, and one of the "10 Best Places to Live in Florida" by SmartTravel.com.

Likewise, the City of Oviedo was rated one of "20 Safest Cities to Live in the State of Florida" by Safe Choice Security 2014. Oviedo was also named one of the "Top 20 Safest Cities in Florida - 2017" by SafeWise. Of recent note, Money.com named Oviedo as one of the "50 Best Places to Live in America" in September 2020. Oviedo ranked number 43, the only city in The Sunshine State to make the list. It was the second time last year that Oviedo received praise as one of the top places to live. Niche.com, which ranks schools, workplaces, and neighborhoods, chose Oviedo as the "Best Suburb to Raise a Family in the Orlando Area."

TRANSPORTATION

BY CAR A combined partnership between the State of Florida, Seminole County and the City of Oviedo is expanding the roadways in a Multi-Phase project. The SR-426 / CR-419 project is an urban roadway improvement project that will ultimately connect the existing 4-lane roadway at Pine Street to the 4-lane segment of CR-419 at Lockwood Boulevard. Commuting residents and visitors enjoy East Seminole County's convenient access to Central Florida's Interstates 4 and 95.

BY AIR Travelers in Oviedo and Winter Springs have access to the Orlando Sanford International Airport, located in Sanford, Florida. This airport serves as a major hub for Allegiant Air.

A terminal expansion project, first announced in mid-2015, is right on track. With three-fold growth in travelers between 2012–2018, SFB is one of the fastest growing airports in North America.

The renovations will help accommodate passenger growth and better serve the 3+ million travelers who passed through Orlando Sanford International Airport in 2018.

The project, estimated at \$60 million, will add almost 50k square feet of space to the airport.

oviedowintersprings.org

BY BUS LYNX (Central Florida Regional Transportation Authority) operates 75 local bus routes for cost-effective public transportation.

BY FOOT The development of an extensive trail system is a regional priority and Seminole County has helped to lead the way. The Cross Seminole Trail runs through the town centers of both the City of Oviedo and the City of Winter Springs providing biking and walking access to many of the County's natural lands, linking to a more extensive 56-mile regional area trail network and ultimately to Florida's Coast-to-Coast Trail.

BY TRAIN SunRail, Central Florida's first piece of a larger passenger commuter rail system, connects four counties, passing through the heart of Seminole County. Individuals can also hop on the Amtrak which runs through three counties in the central Florida area including Volusia, Seminole, Orange, and Osceola.

5 Top Reasons to join the Chamber of Commerce

JOIN US

#1 Great Networking Opportunities

Whether it is our Monthly Membership Luncheons, weekly Networking Events, After Hours Gatherings, Ribbon-Cuttings, our two Signature Festivals, or our Educational Workshops, you will learn and make great connections.

#2 Chamber Events & Programs

Chamber events provide members with opportunities to get to know new people and expand their prospect base. Events are a fun way to help members meet potential customers, clients and vendors.

#3 Gain a Voice in Government

Chambers take an active role in government and help keep members aware of legislation that could impact their business. We make an annual trip to Tallahassee to visit legislators and advocate for our members' businesses!

#4 Acquire Customer Referrals

Every day, we receive calls from individuals looking for a variety of different types of businesses and services. We only refer members! Many Chamber Members also show loyalty by only doing business with other members!

#5 Increase Credibility & Visibility

You can increase positive perception among consumers and business owners when you're identified as a member of the Oviedo-Winter Springs Regional Chamber of Commerce.
