

COLORADO CERTIFIED PUBLIC MANAGER® PROGRAM

2022 CPM Denver Schedule

Classes will be held in-person from 8:30am-4:30pm MST with a virtual option for those unable to travel or uncomfortable meeting in-person. Backup dates for fully virtual are being held in case of new COVID-19 surges.

Managing Crises, Emergencies and Disasters – M2022 – April 8 (F) | April 9 (S)

Includes: management principles for public and nonprofit organizations in the areas of effective emergency response, emergency preparedness, disaster recovery and promotion of community and organizational resilience; also includes crisis leadership and communication.

Public Engagement and Communication – P2022 – May 13 (F) | May 14 (Sa)

Includes: working with elected officials, establishing working relationships with key partners (w/in and w/out organizations), media relations, and effective presentations.

Strategic Planning and Management – A2022 – June 3 (F) | June 4 (Sa)

Includes: analytic techniques in strategic planning, understanding fiscal & budgetary approaches and management, understanding public involvement in policy making and governmental operations, and use of critical tools.

Fostering & Managing Organizational Innovation – G2022 – August 5 (F) | August 6 (Sa)

Includes: performance measurement, change and innovation, project management, evidence-based management, and management of information and communications technology.

Management Fundamentals and Emerging Trends – F2022 – Sept 30 (F) | Oct 1 (Sa)

Includes: managing human resources, administrative legal issues, use of data in evidence-based management, decision-making and reporting results.

Leadership in Organizations – L2022 – Nov 18 (F) | Nov 19 (Sa)

Includes: knowing & managing yourself, effective teams, conflict resolution & negotiation, and ethical behavior.

Capstone Project – C2022

Includes: a practical project undertaking toward the end of the CPM program. The project can be based on a problem faced in your own organization or in another organization, but it must be something real, significant and useful. The capstone project demonstrates mastery of the skills developed throughout the CPM curriculum.
