

SANTA BARBARA COUNTY  
*energy*  
watch

The Santa Barbara County Energy Watch Partnership is a joint effort between Southern California Gas, the County of Santa Barbara, the Cities of Buellton, Solvang, Guadalupe, Santa Maria and administered by the Santa Maria Valley Chamber of Commerce.

We can help your business become energy efficient, often saving money on your energy bill!

Examples of some of the many resources available through our partnerships with Southern California Gas include:

- Onsite Energy Audit
- Industry-Specific Rebates
- Incentives
- and More!

# A Message From **GLENN MORRIS**

CEO / PRESIDENT - SANTA MARIA VALLEY  
CHAMBER OF COMMERCE &  
VISITOR AND CONVENTION BUREAU

“It is important for all of us to recognize the need to save energy and protect the environment.

We all benefit when we work together.

These programs benefit our businesses, municipalities, school districts and other special districts.

We can reduce our energy use and reduce your energy bill.”

- Glenn Morris

## **GREEN \$ BUSINESS** SANTA BARBARA COUNTY

The Green Business Program of Santa Barbara County (GBPSBC) continues a tradition begun in 1994 of recognizing businesses that take actions to protect, preserve, and improve the environment. The Central Coast's business community has recognized that environmental responsibility and green practices not only benefit our community but they can save businesses money.

The GBPSBC certifies businesses that go above and beyond complying with applicable regulations by implementing measures in such areas as solid waste reduction and recycling, environmentally preferable purchasing, energy and water conservation, and pollution prevention.

To become certified, a business must implement certain mandatory and a minimum number of voluntary measures in these areas. There is no cost to apply and free technical assistance is available, although a business will be responsible for costs associated with upgrades to its operations and facilities. Rebates are available to offset some of these costs.

Earning a certificate from the GBPSBC means you have made a commitment to your community and the future success of your business - so go above and beyond typical green measures and stand on the cutting edge of sustainable business practices.

[www.greenbizsbc.org](http://www.greenbizsbc.org)  
or call (805) 705-1686

Since 2019, the Santa Maria Valley Chamber of Commerce has been the official administrator of the Santa Barbara County Energy Watch Partnership.

The Santa Barbara County Energy Watch Partnership has assisted hundreds of businesses as well as our local municipalities to become more energy efficient.

The Partnership focuses on programs with Southern California Gas Company as well as organizations that highlight energy efficiency.

A primary role of the Santa Barbara County Energy Watch Partnership is to work with City and County government, as well as School Districts and Special Districts. The Partnership provides energy assistance through projects, outreach and direct support as available and requested.
