2022 Crystal Mountain Group Golf Leaders Checklist—**MUST READ RULES**

- Inform your group members about the general Crystal Mountain rules and regulations (for example, no coolers or own alcoholic beverages on the course).
- Please be aware that Crystal Mountain enforces a pace of play on both courses. Golfers should complete 18 holes of golf in four hours and fifteen minutes on the Betsie Valley course and four hours and thirty minutes on the Mountain Ridge course.
- Crystal Mountain has a mandatory non-metal spike policy. The use of these alternatives provide much better putting surfaces, especially later in the day, and also less wear and tear to the clubhouse and golf carts. All of us at Crystal Mountain believe that this policy provides a higher quality experience for our golfing guests. Please make sure your group members are aware of this policy. The Golf Shop provides a spike changing service for a minimal fee.
