

# Is Chambers of Commerce Group Insurance Plan right for you?

**Chambers Plan was founded 40 years ago in Winnipeg on genuine care and concern for the success of small business, championed by the chamber. It's now Canada's number one employee benefits plan for small business.**

Chambers Plan is a not-for-profit with ALL surpluses staying in the program to help control premiums and provide stability—something we could all use right about now.

Protecting you and your employees is easy. The first step is to get a free quote. There are no industry restrictions or minimum company sizes, so a **YES** to these questions means you could benefit from Chambers Plan:

## 1 "Do you have 1 to 35 employees?"

Chambers Plan offers guaranteed coverage for small businesses with 1 to 35 employees.

## 2 "Could you and your employees make use of group benefits?"

Free access to Best Doctors®, Business Assistance Service (professional accounting, counselling, legal and human resource experts who understand the challenges faced by small business owners), and *my-benefits health*® (health and wellness resource site for all employees provided through Chambers Plan's online benefit management platform) sets Chambers Plan apart from other benefit plans.

## 3 "Would you like me to connect you with our local advisor for a quick and easy, free quote?"

Most insurers contract multiple advisors in a given area. Chambers Plan engages Canada's top local independent advisors who will quickly contact you to advise on the best Chambers Plan fit.
