## **Coming Soon Seller Authorization Form**

Prescott Area Association of REALTORS<sup>®</sup> (PAAR) provides a multiple listing service (MLS) for subscribing brokers and agents. The purpose of the MLS is to facilitate cooperation between MLS brokers and their agents to successfully bring buyers and sellers together. Including a property on the MLS provides sellers the widest possible exposure to prospective buyers, and provides buyers with the greatest possible selection of available properties. While most sellers want rapid exposure of their home, the purpose of this form is to provide options to sellers who may seek to delay showings and certain marketing efforts for a determined time.
