

## Nomination Form

Leadership Plant City is administered by a steering committee and the Board of Directors of the Plant City Chamber of Commerce. This group determines the program's structure, budget, fees, and candidate selection.

### GOALS

- Leadership Plant City enhances the development of long-term leadership in the community by:

- Acquainting the participants with a wide range of community issues, resources and opportunities that exist in greater Plant City and Hillsborough County to discover a greater sense of community.
- Increasing the leadership skills of the participants and developing an “esprit de corps” among them, which will provide a common ground for working together on present and future community and Chamber projects.
- Providing participants with an opportunity to meet and exchange ideas with each other and existing community leaders to learn from the backgrounds and perspectives of one another.
- Assisting participants in finding placement in volunteer roles in the community and within the Chamber with renewed energy to lead within their chosen arena.
- Acquainting the participants with the Leadership Plant City Alumni Association.
