## **BE A CONNECTOR:**

The South Belt-Ellington Chamber Ambassadors are dedicated volunteers that serve as connectors at the Chamber. Being an ambassador is not a small task, but it definitely reaps rewards through networking, knowledge and the strengthening of the business environment within our community. Ambassadors have unparalleled opportunities to build great business relationships, not only with each other but with new and existing members.

Becoming an Ambassador is a benefit members can utilize to increase their commitment to the Chamber while gaining additional exposure of their business. Ambassadors make goodwill calls throughout the year, recruit & welcome new members, and represent the Chamber throughout the Community.
