Why Co-Host a Mixer?

Co-hosting a mixer is a great way to bring potential clients to your business or organization and expand awareness of what you do. There are limited opportunities to host mixers, as the Chamber promotes only one per month – usually the third Thursday of the month from 5:30-7:30pm. To encourage greater attendance, each mixer also features a non-profit member of the Chamber. The non-profit helps market the event to its own Board members, staff, and volunteers -- enhancing overall exposure.

Benefits

- Exposure for your business/organization – bringing people to your location!
- Opportunity to address attendees to introduce your team, products and/or services
- Marketing and Publicity:
 - Inclusion in Chamber's "Upcoming Events" E-Blast (1,600+ email contacts)
 - Listing in "Upcoming Events" in the Chamber's *Salinas Valley Business Journal* (circulation of 20,000+ copies) and online on our website
 - Post-event publicity in the Business Journal with photographs
 - Event listing on the Chamber's homepage (www.SalinasChamber.com)
 - Press release created and circulated to local media by Chamber
