

# The Agency **ADVANTAGE**

Increase your revenue and improve customer value with Professional Agents Funding.

## Real-Time Online Account Access

Our industry-leading system displays real-time account data for you and your accountholders, which is accessible on any mobile device, tablet or computer.

## First Payment Coupon/Bill

Over 25% of all cancellations occur because the accountholder either never receives or misplaces the first notice. Now you can print the first payment notice and deliver it directly to your customers at point of sale.

## E-Submission

You can submit any loan electronically. No fax or e-mail required!

## Down Payment collection via CC/ACH

Agents can quickly submit an insureds down payment using a credit/debit or checking account electronically.

**Enter Payment information for collection of Down Payment**

Payment Type  Credit Card  ACH

Name on Card

Billing Address

City  State  Postal

Card Type  Card Number

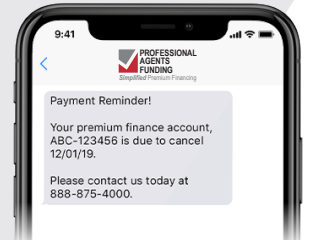

Expiration Date  CCV

## Recurring Payment Options

Your insureds have a variety of payment options when it comes to paying for their insurance, including recurring Credit Card and recurring ACH payments.

## SMS Text / E-mail Alerts

An email or text message is sent to accountholders 5 days before their cancellation date to help prevent costly cancellations. Keep more of your hard-earned commission.

## Online Payment Options

Our e-payment feature provides a seamless option to pay online via credit card or check. Save more accounts from cancellation and keep money in your pocket!

<b>New Cancellation Hold Date:</b>	<input type="text" value="8/31/2020"/>

## Digital Documents and Invoices

All notices are available online to both you and your customers. Making these documents readily available provides a convenience that results in saving your agency time and money.

## Revenue Participation

Our agencies participate in the revenue of an account through a variety of options which are paid monthly, and in full.\*

\* In states where revenue sharing is permitted.

## Additional Premium Quoting

No more phone calls to the finance company for an additional premium quote. Simply choose the account, enter the additional premium figures and submit it for processing.

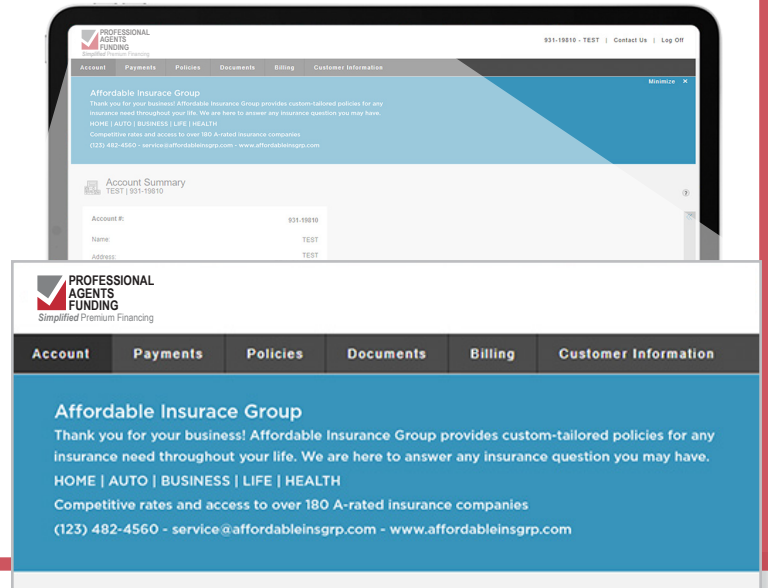

## Auto Reporting & Notice Delivery

Any report or notice can be automatically delivered to your inbox each morning, saving you time and providing added convenience in the process.

# CROSS-MARKETING

## Grow Your Business Faster

Cross-marketing your other products and services is the fastest and easiest way to generate additional profits for your agency. Your accountholders will receive a welcome email and welcome letter that includes your personal cross-marketing message. Additionally, each time they access our portal for account information, they will see your cross-marketing message displayed.

PIA Southern Alliance recognizes the need to provide its members with value, scale, and advantages they cannot find anywhere else. By offering a premium financing solution, PIA can help members capture revenue, improve their bottom line, and simplify their businesses. The new program will strengthen the membership offering, providing members with a premium financing vehicle they need to support their clients.
