

# Cost and Payment

The cost of the Splash Pass is \$50, which will be donated to MPRA. Payment should be made by cash. You will give your payment to your host city who will then forward the payment to the fund-raising committee.

## Value of Card

There are 22 participating pools in the St. Louis area. Each Splash Pass allows two visits to each pool, with an average daily visit fee of \$9.

44 visits x \$9 average =  
approximate value \$400

## Rules and Regulations

- You MUST follow all the rules and regulations of each participating pool that you visit. It is your responsibility to make yourself familiar with these rules and regulation before you visit the facility.
- Some pools do not allow daily admissions for non-residents, so you should have a Splash Pass visit available for each person in your party. Do not assume a third person will be able to pay a daily admission rate upon arrival.
- Each Splash Pass card has two visit punches to each pool. The punches can be used by two different people.
