

THE ROAD TO YOUR BEST WORKERS' COMP PROGRAM BEGINS NOW.

providing cost-effective, proactive solutions for the trucking and transportation industry since 1993.

We are excited to partner with the **Iowa Motor Truck Association (IMTA)** and offer our industry-changing program benefits & services. Together, we will continue to promote and strengthen the trucking & transportation industry in Iowa, as well as the voice and impact of the **IMTA**.

Our program has been providing workers' compensation coverage for transportation, distribution, supply-chain logistics, and related allied industries for **thirty years**. **Non-risk bearing, fully-insured** coverage is available nationwide through our partnership with the largest Excess Loss and Reinsurance company in the US, Safety National, rated A++ (Superior), FSC XV by A.M. Best and A+ by Standard & Pools.

Our dedicated Iowa-based Risk Manager and Risk Management team are ready with tools, resources, and solutions to **enhance** your company's safety culture and **reduce** or **eliminate** accidents and injuries. Just ask our current member companies.

\$22,895,234 in dividends will be credited with our 2024 renewals. Since inception, our program has distributed over **\$270 million** to member companies, with a 10-year annual average distribution of **32%**. A performance unmatched by an other workers' compensation carrier or captive program.

The Alliance Interstate Risk **designated claim team**, through CCMSI, specializes in detailed claim and accident investigations, return to work programs, and claim resolution, as well as **discussion** and **interaction** with each employer to ensure a **successful** outcome for both your company and your injured worker.
